STOVES, TINWARE, &c.,

JAMES McGONEGAL would respectfully invite the attention of the public to his large stock of STOVES, TIN, AND SHEET IRON WARE, &c. He has made it an object in selecting the most desirable, economical, and durable stoves in the market. His cooking stoves consist of the NIMROD, NIAGARA, QUAKER CITY, IRONSIDES, FARMER, and others, which he guarantys to give satisfaction in every respect. His

PARLOR AND OFFICE STOVES

are unsurpassed for beauty of design, durability, and economy of fuel. He also offers to the public the justly celebrated

EMPIRE GAS BURNER.

He would call attention to a few its merits:

I. It has no brick to be replaced once or twice a year.
II. Heating downwards, its rays of heat are deflected to the floor, heating the feet instead of the face.
III. The burning of the gas by a second supply of fresh air is complete. The device is not found in other stoves, consequently the air is always pure.
IV. It is a perpetual burner.
V. It makes no clinkers.
VI. It is perfectly clear from dust; the arrangement is covered by a patent, and is perfect in its operation.
VII. Its ventilation is complete, and in every respect is a first class stove and warranted to give satisfaction. Numbers of references can be given as to the merits of this stove, but he would ask those who wish to get a desirable stove to call at his shop and see it in operation.

He offers among other Parlor, Dining Room, and Chamber stoves, the

"DEACON LIGHT,"

a beautiful, economical, and powerful heating stove, patented 1859; also PARLOR HEATERS, for heating two or more Rooms, Portable Furnaces, &c.

TIN AND SHEET IRON WARE

constantly on hand. SPOUTING, ROOFING, and JOBBING made to order of best material, and at reasonable prices

READ OF THIS WONDERFUL DISCOVERY.

References are given of the wonderful cure that was performed by Dr. Campbell's great Magic Pain Destroyer:

Near Shiremanstown, Cumberland county, 1869.

Dr. Campbell:—Your Magic Pain Destroyer should be made known to the public. There might be some more suffering the same as my wife was. She was fast in bed with pains over three years. Her head, neck, arms, legs, hands, and fingers were drawn crooked with rheumatism. I do believe that I spent seven or eight hundred dollars for her and received no benefit. Hearing so many persons talking about Dr. Campbell's Pain Destroyer, and his Magic Liver Pills—what great cures they performed, I did not feel satisfied till I bought four bottles and two boxes. After my wife had used two bottles and one box of Dr. Campbell's Magic Liver Pills she was able to get to the table to eat, and able to get to her bed to sleep, by the use of her crutches. Afterwards had used two more she threw her crutches away. This lady's age was over 53 years. ANDREW SHELL.

WONDERFUL DISCOVERY OF WORM LOZENGES.

Carlisle, 1869.

I have repeatedly used Dr. Campbell's Worm Lozenges for two of my youngest children, who were very sickly for a long time. I gave them two doses. There were 100 large stomach worms passed, and I dare say there were not less than 7000 or 8000 small seat worms passed from my children.

JOHN BROWN.

Office No. 130, Third street, between Chestnut and Mulberry streets, Harrisburg, Pa., or at the Carlisle Market Square, on Wednesday and Saturday of each week.

Sold by Druggists and Dealers generally. Price 50 cents per bottle, or 12 bottles for $4. Pills and Worm Lozenges 25 cents per box, or 12 boxes for $2.

Agents wanted to sell these medicines. Great inducements are offered to those wishing to sell them.

WHEELER & WILSON'S

HIGHEST PREMIUMS

SEWING MACHINES!

At the great Exposition, Paris, 1867.

Awarded the Highest Premiums over 82 Competitors.

THE PEOPLE'S VERDICT.

THE SALE OF THIS WORLD RENOWNED MACHINE ARE 100,000 GREATER THAN ANY OTHER.

THE GRAND TRIAL—

Daily use Throughout the world, were ONLY TRUE MERIT gains favor, and SUPERIORITY wins the race.

The Wheeler & Wilson stands triumphantly the Champion and Leader over all others by the verdict of the people.

We claim no merits that we cannot sustain by living and reliable witnesses. We stand upon our own REAL WORTH, without declaiming against other companies. We claim to have improvements for sewing that we know cannot be excelled, and in many points that no other company dare compete with. No other company can show so many machines that have been in daily use for the length of time as we can. For the proof of this, look at the numbers that are on each machine. The Wheeler and Wilson Sewing Machine is the Rich Man's Best Friend, and the Poor Woman's Trust and Comforterer, for no other company can sell on as liberal and easy terms as we.

The poor woman can get herself a Machine, and afterwards pay for it. No Machine is paid for until parties are fully satisfied. Constant use only increases the worth of

OUR MACHINES.

Several ladies in Carlisle who have used our machines from six to twelve years, say "They consider them better in every point than when new, and there is not a garment worn in the family, from light as Swiss to heavy as Beaver cloth, that they have not made." One lady says "I have sewed for three years and never broke a needle." We can furnish names and residences of responsible parties who can sustain all we claim.

The unsigned are a few of many who have the Wheeler and Wilson Sewing Machines, in Carlisle, and length of time they have been in constant use.

WROUGHT IRON RADIATOR.

These Heaters are made of Heavy Wrought-Iron, well rivited together, the only sure prevention against the escape of Gas or Dust. They are easily managed, without any dampers. The Patent Radiator avoids the use and annoyance of drums, and is permanently attached to the Heater. This is the most durable, simple, economical and popular Heating Apparatus ever offered for sale. They are all guaranteed.

The Golden Eagle

FURNACES, FURNACES,

This is an entirely new heater. It is constructed so as to one command itself to general favor, being a combination of wrought and cast iron. It is very simple in construction, and is perfectly air-tight; self-cleaning, having no pipes or drums to be taken out and cleaned. It is so arranged with upright flues as to produce a larger amount of heat from the same weight of coal than any furnace now in use. The hygrometic condition of the air as produced by my new arrangement of evaporation will at once demonstrate that it is the

HOT AIR FURNACE

that will produce a perfectly healthy atmosphere. I am now making five sizes of *Portables*, and four for Masonry.

RANGES.

Special attention is also called to my NEW GOLDEN EAGLE COOKING RANGES, as I feel assured there is nothing in use that can compare with them as regards their durability, economy and efficiency, with a large assortment of Low Down Grates, Fire Place Heaters, Registers and Ventilators. Send for Illustrated circular.
