## NASBY.

THE PREPARATIONS OF THE DEMOCRACY FOR THE FALL CAMPAIGN—MR. NASBY ASSISTS IN ARRANGING THE DETAILS.

HARP UV ERIN S'LOON, SIXTH WARD, NEW YORK, July 30, 1870.—The time hevin arrived to begin preparashens for the fall campane, preparashens for the fall campane wuz actoually begun. The General Committee for the Yoon ited States met three weeks ago in Noo York, and decided upon the tactics to be employed to make certin the carryin uv the next Congress by the Dimocrisy. Not bein a member uv the Committee, I wuzn't present at the conference, and consekently can't say precisely wat they decided onto, but ez a member uv the workin committee I know all about it for I helpt to execoot their orders.

Some time previous a cirkler hed bin ishood rekestin Dimocratic Central Committees all over the country to send in all sich property ez flags, bannors, transparencies, and sich, uv wich they mite be possessed, all uv wich wood be altered to meet the exigencies uv the times, at the expense uv the General Committee. It wuz my dooty to assist the Chairman uv the Workin Committee to arrange this mass uv properties that they mite be properly altered.

We found on hand the following material:

4,000 banners and transparencies, on wich wuz painted hidjus male niggers, with the inscripshun below, "No sich husbands for us!" all uv which hed bin carried over wagon loads uv Constooshnel Dimekratic ladies doorin the years from 1856 to 1866.

4,000 banners and transparencies onto wich wuz painted ekally hidjus female niggers, with the inskripshon, "Is sich ez these to be the future mothers of Ameriky?"

4,000 banners inskribed, "No nigger votin—no nigger labor."

4,000 banners inskribed, "Ameriky for white men."

4,000 caricatoor portraits uv Chase, painted over a greenback, wich was carried in 1865, inskribed, "The king nigger lover, and the trash lib is manufacturin."

4,000 caricatoors uv Horris Greely kissin a hidjus female nigger woman, inskribed "Wat the Radicals are aimin at."

10,000 banners inskribed "Free Trade and down with Protective Tariffs."

In addishen to these we had some hundreds uv thousands uv banners transparencies and sich, which hed bin sent in from various parts uv the country for revision and sich alterrashen ez wood adapt em to present yoose. Some of them protested agin drafts, and taxation to support an unholy and unconstitutionel war, others demandid the repoodiashen uv the Nashnel debt, and there wuz others too tedjus to menshun.

The chairman uv the committee understands the Democratic party better than any man livin, and went at his arjus duty with a clearheadednis I never saw ekalled.

"Send 1,000 uv the male nigger transparencies, jist ez they are, into the southern parts of Illinoy, Injiany and Ohio, and all over Noo Jersey, warnin our committee men in the border States to keep them fur cnuff away from the river to enshoor their not bein seen by the niggers on the south side thereof."

"It shel be done," said I, amazed at the knowledge he displayed uv the tastes and predelections of the people.

"Where is our core of artists?" he askt."

"I got 'em in with their brushes and paints."

"Take 1,000 uv the male nigger banners, redoose their lips, shorten their heels, make their foreheds ez full ez them uv average Democrats—no, that wood hardly be complimentary to em—well, make their foreheds ez full ez them uv average men in general, soften the complexion to a mild black, rub out the inskription, "No sich husbands for us!" and put in its stead, "A man's a man!" Take likewise an ekal number uv the female nigger banners, alter em to correspond with the others, puttin on each a waterfall and a parasol, and inscribe on em, "The Ladies uv Ameriky—Our Country's Hope." These banners must be keerfully packed and sent to our committees in the Southern States, where the d—d beasts are all voters, and hold the balance of power." "It shel be done," said the artist, amazed at his invenshun."

"Take a thousand uv them nigger faces, and soften the complexion to the Chinese color"

"It can't be did," sed the head artist; "the black is too intense."

"Ha! so it is; but I hev it. There is thousands uv banners on wich is mulatto faces with the inskripshen, 'The Result of Radikel Rool.' Take em and change the feechers to the Chinese pattern, put pigtails on their heads and shoe-hammers in their hands, with strings uv rats over their shoulders, and puppy-dogs running away from em in affrite, and send em to Massychoosits, Connecticut and Californy."

"The caricatoor of Chase and the greenbacks, wat kin we do with em?" sed I.

"Do with em?" he ansered; "change the caricatoor to a portrait, and under the greenback write, 'In this sine we conker!' and send em West. I wish that all our work wuz ez easy ez Chase hez made this."

"The Horris Greeleys' kissin the nigger wimin—wat shal be done with them?" I askt.

"Improve Horrises' feechers to suthin ordinarily intellectoual, soften the wenches' face, and for an inskripshen write, 'The era uv good feelin hez come' and send em South; the other half must be doctored a trifle. Rub out the first six words, leavin only 'protective Tariff,' and send em to Pennsylvany, Noo England, and sich Congressional Deestricks elsewhere ez are largely interested in manufakters."

"So far so good," sed I, "but there is thousands uv banners protestin agin drafts and sich, wich we reely cant afford to lose. The muslin onto wich ther painted ez good ez new, and it is a pity to throw em away."

"There's no need uv throwin uv em away, or evin wastin paint and labor on em. Send em jist ez they are to the interior counties uv Pennsylvany. The Democratic Central Committees in those counties probably know that the war is over, but the rank and file of the party don't, and these'll do to fire their hearts ez well ez anything else. See that this is done, and be very keerful to pack and send them per direckshuns."

Ez soon ez the artists hed finisht their work I packt em and thankt heaven that a tejus work wuz off my hands but little did I antisipate the sea uv trouble into wich I hed plunged myself and the committee. I hed two assistants to direkt the boxes, and the committee sent us a demijohn uv likker for refreshment.

We refresht, perhaps, more than wuz prudent, considrin the very delikt nachur uv the work we hed to do, and with recklis stoopidity directid the boxes at random. Ez mite hev bin expected, the bannors intended to captur the niggers in the South went to Southern Ingeuny, where they stone nigger-lovers, and the caricatoors uv niggers intended for Southern Illinoy went South. The Free-trade banners went into Pennsylvania and the Perfective Tariff ones into the wheat States uv the West.

Every box come back, and sich letters ez accompanied them! The Pennsylvania Committee sed that if Free Trade wuz trooly made a part uv the Democratic creed they wood swallor it, but it wuz a dose for em, but all the rest cussed us for a set of ijeots.

A nigger in South Carliny, wich our people down there hed capchered, opened a box (wich shood hev gone to Injeany) containing the most horrible caricatoors uv his people, and read the letter wich we enclosed, in which we urged the Central Committee to fite the battle upon the one ijee that niggers was apes, and wuz entitled to no rites whatever! He indignantly wanted tu know "of this wuz Dimocracy?" The committee man in Injeany, who shood hev got that box, got one instid full uv the pictors uv the improved Greeley kissing the improved female nigger, with the inskripshen, "The era uv good feelin is come," and he indignantly wantid to know "of this wuz Dimocracy?" and so on" all around.

This thing uv hevin a dozen sets uv principles may hev its advantages, but I kin swear that it hez its perplexities. The committee wuz immejitly called together agin to take such steps ez they kin to nootralize the effects uv the blunder. Wat they kin do in the matter the Lord only knows.

## MEDICAL.

DRS. D. FAHRNEY & SONS'

celebrated preparation for

CLEANSING THE BLOOD.

The long and favorably known preparation of Drs. D. Fahrney & Son for cleansing the blood, needs at this day no recommendation at our hands, its virtues having been established by the thousands of cases, where it has given relief in the

*Most Difficult Forms of Chronic Diseases*

during the last sixty years. So highly indeed is it esteemed, that the demand is constantly increasing, not only at home, but we are daily receiving applications for it from the most remote sections of the country—North, East, South, and West. To meet this demand, as well as to prevent the public from being imposed upon, we have determined to put this

PREPARATION

in such a form that it may be within reach of everybody *very cheap*.

Other preparations, far inferior to the genuine, having been put out by certain parties, have been mistaken by some for our own, and as a matter of course the old Preparation of D. Fahrney & Son has been made to suffer some in reputation; therefore to prevent this mistake, as well as to meet the increasing demand mentioned above, we have concluded to send the medicine out in

LIQUID FORM.

We will also at the same time put out the original in package form for the benefit of some of our old customers and others who may yet prefer the medicine as first prepared. Not recommending it to cure all diseases the human body is heir to, but as a family medicine, and for all diseases originating from impure blood and disordered liver, it has no equal; and will cure the following diseases:

Scrofula, cutaneous diseases, erysipelas, boils, sore eyes, scald head, pimples on the face, tetter affections, old and stubborn ulcers, rheumatic affections, dyspepsia, costiveness, sick headache, jaundice, salt rheum, general debility, mercurial diseases, foul stomach, together with all other disorders arising from impure blood, and disordered liver, &c., &c., prepared by Drs. D. Fahrney & Son, Boonsboro', Maryland, and Dr. P. Fahrney, Keedysville, Md. Sold by all druggists and merchants generally. None genuine unless signed D. Fahrney & Son. Sold by W. P. Horn, druggist, Carlisle; S. S. Huber, druggist, Newville; James A. Clark, Lees Cross Roads; John C. Attick, druggist, Shippensburg.

WILCOX & GIBBS'

*SEWING MACHINE*

We have secured the Agency of the Wilcox & Gibbs' Sewing Machine, a little family arrangement that seems willing to do without after having seen one in operation. The Wilcox & Gibbs is a Single Thread Machine and claims superiority over all Double Thread Machines in the following particulars. It is simpler and less liable to get out of repair. It is cheaper. It runs with less noise. It runs easier. It runs faster. It has the best device for preventing the wheel from running backward. It requires less mechanism and skill to operate it. It requires less time and instruction to learn to use it. It is the most certain and reliable in its operations. Its needle is straight and less liable to be broken than required one. The needle is secured in its place by an ingenious device which rendered it self adjusting so that neither skill nor experience are required in arranging it. It sews directly from the spool thus doing away with the tedious operation of rewinding the thread for adjustment in the shuttle. It makes the Wilcox & Gibbs or "twisted loop stitch," a stitch originally with this machine and made by no other, the seam is more elastic and stronger than the lock stitch. The seam is the most even and beautiful, the seam is always selfadjusting thus avoiding a wrinkled feed. Its tension is more simple and more easily adjusted. It is more speedily changed from one kind of work to another, it does beautiful embroidery, it has the best hemmer, it has the best filler, it has the best braider, it has the best belt. The Wilcox & Gibbs has been in the market for a little more eight years, during which time upwards of sixty thousand have been made and sold, a number by fifty per cent larger than were sold of any Double Thread Machine in the same number of its earliest years such success is sufficient to warrant the sale of this Machine wherever it has an Agency without the multiplied evidence of testimonials, of which there are enough to fill up the columns in the land. These Machines are on exhibition at our store, No. 26, North Hanover street, Carlisle, where they may be examined, and they will take great pleasure in explaining anything relating to it.

Respectfully &c.,
