THE EMPIRE MUTUAL.

UNEXAMPLED!

THE EMPIRE MUTUAL

LIFE INSURANCE COMPANY,

OF NEW YORK,

In the first Fifteen Months of its existence has issued

OVER FORTY-FIVE HUNDRED POLICIES!

INSURING OVER $8,000,000.00

Making in Premiums $300,000.00,

largest commencement business ever done by any company in the world!

THE REASON FOR IT.

Its family whole-life policies are absolutely non-forfeitable from payment of first annual premium.

Special insurance non-forfeitable after two annual payments.

All policies incontestable for usual causes, and strictly incontestable after two annual premiums.

All restrictions upon travel and residence removed, and no permits required.

No accumulation of interest on Loans on 3 Years Premiums, and no increase of annual payments on any class of policies.

Two-thirds of the premium loaned to the party insured, if desired, and interest required.

Based upon the progressive plan, and also upon the guarantee interest plan.

Business of the company conducted on the Mutual Plan.

Policy simple and free in its provisions.

Incontestability of Policies.

It is the purpose of The Empire to fulfill all its contracts, the evidence of which is that its policies have convenient refuges by means of which it can be adjusted. Proven fraud on the part of the insured will always invalidate a policy. Also, it will be contested previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, policy will be held incontestable for all causes specified.

Non-Forfeiture of Life Policies.

Policy of insurance with continuous payments shall not be declared or become void by the non-payment of premiums thereon, until the full paying up of the premiums have been exhausted. The surrender of the policy is

"If any premium after the first annual premium shall have been paid, shall not be paid on the day when it is, and the said assured shall, within thirty days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued in force under the following plan: Then and in such case this policy shall not become void thereon, but after the expiration of the time specified, to be determined as follows, the net value of this policy when the premium is so due shall be determined by actuarial calculation, and after deducting from such net value the sum upon said policy insured by dividends, and any indebtedness to the Company, one-fifth of such net value shall be considered a net single premium of temporary insurance, and this policy shall be continued in force during the term for which such single premium will insure according to the age of the party at the time of the lapse of the premium.

Example of the Non-Forfeitable Plan of the "Empire."

Party insured, 35. *Ordinary whole life policy.*

Annual premium will continue the policy in force to end of 19 years and 9 days.

Quarterly premiums will continue the policy in force 19 years and 27 days.

Semi-annual premiums will continue the policy in force 19 years and 146 days.

Annual premiums will continue the policy in force 19 years and 292 days.

etc., etc., etc.

Hoofland's German Medicines.

HOOFLAND'S

GERMAN MEDICINES,

HOOFLAND'S GERMAN BITTERS,

Hoofland's German Tonic,

Hoofland's Podophyllin Pill,

HOOFLAND'S GREEK OIL.

HOOFLAND'S GERMAN BITTERS,

A Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the purest juice of vital principle of Roots, Herbs, and Barks (or as medicinally termed, extracts) the virtue lies in inert portions of the ingredients not being used. Therefore, in combined with medicinal virtue as will be found in several compositions of ordinary mixtures. The Roots, &c., used in these Bitters are grown in Germany, their vital principles extracted which is the country is a certificate of them, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against others; no desire for stimulant can be induced from their use, they cannot make drunkards, and cannot, under any circumstances, have any but a beneficial effect.

HOOFLAND'S GERMAN TONIC

Was compounded for those not inclined to extreme bitters, and is intended for use in cases where some alcoholic stimulant is required in connection with the tonic properties of the Bitters. Each bottle of the Tonic contains a bottle of the Bitters, combined with pure Santa Cruz Rum, and flavored in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreeable and pleasant to the palate and containing the medicinal virtues of the Bitters. The price of the Tonic is $1.00 per bottle, which is the price of other tonics. They must take into consideration that the stimulant used is quite at cost of a pure quality. A tonic cannot be furnished at a cheaper price, but is not better to pay a little more and have a good article? A medicinal preparation should contain none but the best ingredients, and they who expect to obtain a cheap compound will most certainly be cheated.

They are the Greatest Known Remedies

—FOR—

Liver Complaint,

Dyspepsia—

Nervous Debility,

Jaundice,

Diseases of the Kidneys,

Eruptions of the Skin,

and all diseases arising from a Disordered Liver or Stomach, such as Costiveness, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits. All these indicate Disease of the Liver or Digestive Organs combined with impure blood.

The use of the Bitters or Tonic will soon cause the above symptoms to disappear, and the patient will become healthy and healthy.

DR. HOOFLAND'S

GREEK OIL,

Lightning Cure for all Kinds of Pains and Aches.

Applied Externally.—It will cure all kinds of Pain and Aches, such as Rheumatism, Neuralgia, Toothache, Chilblains, Sprains, Bruises, Fresh Cuts, Headaches, Pains in the Back and Loins, Pains in the Joints or Limbs, Stings of Insects, Rheumatism, etc.

Taken Internally.—It will cure Kidney Complaints, Backache, Sick Headache, Colic, Dysentery, Diarrhea, Cholera Infantum, Cholera Morbus, Cramps and Pains in the Stomach, Fever and Ague, Colds, Coughs, Asthma, etc.

DR. HOOFLAND'S

PODOPHYLLIN,

OR SUBSTITUTE FOR MERCURY PILL.

"TWO PILLS A DOSE.

The most powerful, yet innocent, Vegetable Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach, and Bowels of all impurities. The principal ingredient in Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more

Powerful, Acting, and Searching,

than the Mandrake itself. Its peculiar action is upon the Liver, cleansing it speedily from all obstructions, with all the power of Mercury, yet free from its injurious results attached to the use of that mineral.

For all diseases, in which the use of a cathartic is indicated, these Pills will give entire satisfaction in every case.

THEY NEVER FAIL.

In cases of Liver Complaint, Dyspepsia, and extreme Costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or Tonic builds up the system, the Bitters or Tonic purifies the Blood, strengthens the nerves, invigorates the Liver, and gives strength, energy, and vigor.

Keep your bowels active with the Pills, and tone up the system with Bitters or Tonic, and no disease can retain its hold, or even assail you.

These medicines are sold by all Druggists and Dealers in medicine everywhere.

Remember that it is

DR. HOOFLAND'S

GERMAN REMEDIES,

that are so universally used and highly recommended; and do not allow the Druggist to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. These Remedies will be sent by Express to any locality, upon application to the Principal Office, at the

COMFORTS OF HOME.

THE AMERICAN BASE BURNER.

Air—"Home, Sweet Home."

O'er mountain and moor, though we roved may we be,
Our hearts turn with fondness back to that Stove,
Where we sat all last winter, a warming our toes,
And fond memory ecstatic, hails its old time repose.
Stove, Stove, Base-Burning Stove,
There's no Stove like the, American Stove.

Forced to suffer by another, we quickly repent,
O, great was the shrewd, that is the shame,
About which we had gat'er so pleasant and neat
And keep ourselves comfortable away down in doubt
Stove, Stove, American Stove,
There's no Stove like thee, Base Burning Stove.

Had I Stoves placed before me to test by my choice
For the "American Base Burner" I'd take hold by my voice,
To warm the feet in it, will bring out the heat
And keep you warm and pleasant while you feel
Stove, Stove, wonderful Stove,
There's no Stove like thee, American Stove.

THE OLD ESTABLISHED

STOVE AND TINWARE STORE

JAMES McGONIGAL,

NO. 83 SOUTH HANOVER STREET,

(Adjoining Blair & Son's Grocery Store,)

CARLISLE, PA.

After an experience of over thirty years in the Stove and Tinware business, the undersigned feels confident that his reputation of Stoves has long weighed with the community. He now offers the celebrated

EMPIRE GAS BURNER,

which he feels satisfied is the best Base Burner in the market. It is handsome, throwing a clear and light around the room; there are no clinkers over with the worst coal; the heat is reflected to the floor and strikes the feet, instead of the top of the head; it is entirely consumed; all dust is carried off by a back pipe; it burns very healthy; damp or by which room may be kept or nightly ventilated; and it produces a great heat from a small quantity of coal as any stove ever offered to the public.

He also offers the "Cozy Light," and the "Beacon Light," both Base Burners, highly recommended by all who have used them. All these Base Burners are insured for three years, and if they do not work satisfactory they may be returned. Also the following well known

COOK STOVES:

Nimrod,
Ironsides,
Farmer,
Diamond Slate,

and others. These are all warranted and may be returned if not satisfactory. Hundreds of these have been put up by me in this community, and their popularity is universal.

All these Stoves may be seen at my establishment, and references can be given to parties in this town.

SPOUTING AND ROOFING,
