CANTALOUPES have made their appearance in market—at high prices.

WATERMELONS are becoming more plenty.

THE katydids have "put in an appearance," warning us of the approach of Fall.

AN additional list of jurors, for the August Court, will be found in to-day's issue.

REMEMBER that we offer THE HERALD, from now until December next, for FIFTY CENTS, in *advance*.

THE Sabbath School connected with the Bethel church, of this place, will picnic in Watts' Grove, to-day, (Thursday.)

PROFESSOR JOHN WISE, the world renowned æronaut, made his 145th balloon ascension, from the Public Square, in Chambersburg, on Saturday last.

WE would call attention to the advertisement of H. B. Cornelius, in which he offers his valuable residence, situated on West Main street, at private sale.

THE United Brethren Camp Meeting which commences on Friday, the tenth instant, near Springville, is about four miles southeast of this place, in South Middleton township.

A LARGE number of families from this place, intend "tenting" at the Methodist camp meeting, at Oakville Station. Should the weather be favorable on Sabbath next, thousands of persons will be in attendance.

OUR farmers should bear in mind that the harvest home takes place at the Fair Grounds on Saturday, the nineteenth instant. The Soldiers' Monument will also be dedicated on the same day. The dedication ceremonies will, no doubt, be very imposing and impressive.

THERE will be preaching in the Bethel on West street, on next Sunday as usual, by the Pastor in the morning and evening.

Sunday school concert at 2 p. m.

Open air meeting at 6 p. m., near the corner of East and North streets. Several addresses will be delivered.

THE Express Train, that runs on the Cumberland Valley, was detained a couple of hours, the other day, by reason of the engine becoming disabled a short distance west of town. Conductor Lightcap was obliged to walk to this place, and telegraph to Bridgeport for another engine, which was sent forthwith, and the train passed through shortly afterwards.

ARRESTED FOR SHOOTING.—Thomas Thompson, (colored,) was placed in Fort Foreman on Tuesday morning last, by an officer from Newville, on oath of John Williams, of that place, for firing a pistol and shooting him (Williams) in the thigh. Thompson must have been obstrepulous, judging from the manner in which he had his arms "festooned." Thomas will dine at this popular building until the August Court.

STABLE BURNED.—Between 12 and 1 o'clock, on Tuesday morning, the stable of John Thompson, esq., of Mechanicsburg, was destroyed by fire. A valuable horse, set of harness and contents of the building were consumed. Mr. Thompson's sustains a considerable loss; we did not learn whether the property was insured or not. A young man of that town, as will be noticed in another column, has been arrested on suspicion of having fired the buildings.

THOS. C. HACKETT, of this place, is the regularly appointed agent for the periodicals of *The American Tract Society*. The latest of these, the *Illustrated Christian Weekly*, is worthy special attention. Finely illustrated, well printed in clear type and on fine paper, ably edited by Rev. Lyman Abbott, it forms, week by week, a volume of interest and instruction to all—an admirable family journal that should be in every house, and a paper for the people, at a low price.

CAMP MEETING.—There will be Camp Meeting held by the United Brethren in Christ, near Springville, on the land of A. Cauffman, commencing August 11. Christians of other churches are invited to tent with us. There will be a boarding tent on the ground; positively no huckstering allowed within the limits of the land; an officer of the law will be employed to arrest all disorderly persons, and the regulations of meeting will be strictly carried out. H. BROWN, P. C.

ON Thursday evening last, a solitary buggy, in which was seated two men, was seen slowly wending its way through the principal streets of our town. As they drove along, one of these individuals publicly announced, "a free show, of a live alligator, on the public square, from 7 to 9 o'clock." When they halted on the square a number of citizens assembled to get a view of the alligator, which was quickly shown to the audience by the lecturer. The animal was but three months' old, and judging from the manner in which it was handled, appeared very docile. We subsequently learned that these individuals offered alligator oil for sale, said to be a sure cure for corns, bunions, croup, &c., &c. We are continually learning or seeing something new, and this was a pretty sharp dodge, and a clever way of advertising their oil—and all for twenty-five cents per bottle.

CAMP MEETINGS.—We publish the following list of camp meetings for the benefit of our readers:

Methodist camp commenced at Oakville Station, Wednesday, August 2.

The Cumberland Valley Union Camp Meeting of the Evangelical Association, will be held in Hemminger's woods, 5 miles east of Carlisle, commencing Thursday, August, 17.

The Church of the United Brethren in Christ, will hold a camp meeting in Path Valley, near Spring Run, commencing Thursday, August 3.

The United Brethren in Christ, will hold a camp meeting on the grounds of Mr. James Means, in Franklin county, about three miles south of Shippensburg, commencing Thursday, August 10.

The Church of God inaugurates one near Shippensburg, on Thursday, August 24.

These meetings will continue from a week to ten days.

ARRESTED FOR ARSON.—An officer from Mechanicsburg, placed George C. Dellum, well-known in this community by the title of "Mex," in "Foreman's hotel," until the August court. John Thompson, of that burg, having made oath again him, before Justice Leas, charging him with setting fire to his stable on Monday night last.

FIRM CHANGED.—The firm of Bentz & Co., has been changed to A. W. Bentz & Co. All persons indebted to the old firm will make a note of this fact, and settle their accounts. The new firm will continue to carry on the dry goods business at the old stand, No. 27 South Hanover street. Great bargains are offered in all kinds of Summer dress goods. See new ad.

FAST DRIVING.—Many of our "fast" men indulge in rapid driving through our principal streets, to the imminent danger of pedestrians. We think there is a borough ordinance in existence, imposing a penalty on fast riding and driving, and we think the Chief Burgess, or the officers of the law should enforce it. We have heard of two or three very narrow escapes from fast driving during the past week.

PICNICS.—According to previous announcement, the Evangelical Sabbath School "picnicked" at Hunter's Run, on Thursday last. At 8 o'clock a. m., the train, comprising six well-filled cars, left the C. V. R. R. Depot for the grounds. Between 400 and 500 persons participated in the pleasures of the occasion. Everything passed of pleasantly, until evening, when two young men (?) raised considerable disturbance, in the vicinity of the warehouse. They finally came to blows, but were soon separated, each threatening the other with future violence. A damper was thrown over the "picnicists" by the thundergust which visited the grounds in the afternoon. After the rain had ceased, they returned to town between 8 and 9 o'clock in the evening, fatigued with the sports and ramblings of the day.

TWO or three families had a picnic "all to themselves" at that favorite old resort—the Meeting House Springs—the same day. They enjoyed a very pleasant time of it, until the rain compelled them to make a hasty flight to town.

ARRESTED FOR HORSE STEALING.—On Monday morning last, about 7 o'clock, an individual stopped at the Farmers' and Drovers' Hotel, on South Hanover street, having in his possession a splendid looking horse. After some little time had elapsed, the stranger offered the animal for sale, first asking $200, and then offering to take $75. Sheriff Foreman being apprised of these facts, arrested the man on suspicion, thinking he had stolen the horse, and lodged him in jail

About 11 o'clock, the same forenoon, Chief Burgess John S. Low, received a dispatch from Mr. McElwain, of Duncannon, Perry county, stating that his horse had been stolen on Sabbath afternoon last, and offering a reward of $200 for the recovery of the animal and detection of the thief. The description in the dispatch and the animal in question, point conclusively as being one and the same.

The owner arrived on the 3 o'clock train on Tuesday afternoon, and identified the animal as the one that had been stolen from him After obtaining possession of the horse, he gave Sheriff Foreman a draft for $100, the other $100 to be paid upon the conviction of the thief.

William Lynch, the prisoner, resided in the upper end of the county until last Spring, when he removed to Cove Forge, Perry county, and was, or had been in the employ of Mr. McElwain. The horse was taken from the pasture field on Sunday night about 11 o'clock. The prisoner will remain in the custody of the Sheriff until the authorities of Perry county arrive. The Court of Quarter Sessions convenes in New Bloomfield, on Monday next, but it will be for the prisoner to say whether he shall be tried or not, at that term.

A FEW WORDS TO THE LADIES.

Many ladies, particularly mothers nursing, complain of a tired, listless feeling, or complete exhaustion, on arising in the morning. On the wife and mother devolves the responsibility of regulating the duties of the household. Her cares are numerous, and the menial as well as the physical power are frequently called into requisition. She often finds her slightest occupation a weary task and existence a burden, while at the same time she has no regular disease. Hostetter's Stomach Bitters, is restored to at this period, will prove an unfailing remedy for this annoying institude. The effects of this potent agent are soon seen in the rosy cheek and elastic step of the head of the family, as with restored health and renewed spirits she takes her accustomed place in the family circle. If this friend in need be regularly used, those depressing sympoms will never be complained of, and not only would institude not be experienced, but many diseases following its advent be avoided. As a medical agent it has no equal, while its pleasing flavor and healthful effects have made it a general favorite. It is free from all properties calculated to impair the system, and its operations are at once mild, soothing and efficacious. All who have used the Bitters attest its virtues and commend it to use.
