THE EMPIRE MUTUAL.

UNEXAMPLED!

THE EMPIRE MUTUAL

LIFE INSURANCE COMPANY,

OF NEW YORK,

In the first Fifteen Months of its existence has issued

OVER FORTY-FIVE HUNDRED POLICIES!

INSURING OVER $8,000,000.00

and taking in Premiums $500,000.00 being the largest commencement business ever done by any company in the world!

THE REASON FOR IT.

Ordinary whole-life policies are absolutely forfeitable from payment of first annual premium. Special insurance non-forfeitable after two annual payments.

All policies incontestable for usual causes; absolutely incontestable after two annual premiums. All restrictions upon travel and residence removed and no permits required.

No accumulation of interest on Loans or Premiums, and no increase of annual payments on any class of policies.

One-third of the premium loaned to the insured, if desired, and no Note required.

Dividends on the progressive plan, and upon the guarantee interest plan

Business of the company conducted on Mutual Plan.

Policy simple and fair in its provisions.

Incontestability of Policies.

It is the purpose of The Empire to fill all its contracts, the evidence of which is its policy. Its policy has no convenient refuges by means of which it can escape just demand. Proven fraud on the part of the insured will always invalidate a policy. Also, if suicide, if committed previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, the policy will be held incontestable for all causes except fraud.

Non-Forfeiture of Life Policies.

No policy of insurance on cumulative payments for life will be forfeited or been void by the non-payment of premiums thereon, till the full paying power of the premiums have be exhausted. The language of the policy is:

"That if any premium after the first annual premium shall have been paid, shall not be paid on the day when due, and the insured shall, within three days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued, force under the following conditions. Then, if in such case this policy shall not be forfeited, become void by the non-payment of the said premium due thereon, until after the expiration of a period, to be determined as follows, to wit: The net value of this policy when the premium becomes due shall be determined by actuarial calculation, and after deducting from such net value the loan upon the policy, uncancelled by dividends, and any indebtedness to the company, four-fifths of what remains shall be considered a net single premium of temporary insurance and this policy shall be continued force during the term for which it will insure, according to the age of the party at the time of the lapse of the premium.

Example of the Non-Forfeitable Plan of the "Empire."

Age of party insured, 35. Ordinary whole life policy

One annual premium, will continue the policy in force 2 years and 7 days.

Two annual premiums will continue the policy in force 4 years and 12 days.

Three annual premiums will continue the policy in force 5 years and 7 days.

Four annual premiums will continue the policy in force 8 years and 46 days.

Five annual premiums will continue the policy in force 10 years and 50 days.

etc., etc., etc., etc.

THE TESTIMONY OF THE PRESS.

"The Empire is a popular institution, managed by reliable men, on sound business principles, and is destined at a very early day to stand about or shoulder with the oldest companies of its character in the country. Its officers and directors "mean business," and have organized with the view of establishing a model institution.—*N. Y. Independent, January 26, 1870.*

"This Company is a great success; the result of able, economical, and reliable management. The Empire has no superior in the country."—*Boston Post.*

"Having a policy in this Company, we feel a just pride in the great success it is achieving.—*Eve.*

"An excellent company."—*Zion's Herald.*

"A very successful Company."—*Congregationalist.*

"It is with peculiar pleasure that we speak of this new candidate for public favor. We know many years since the President of the company. We know him to be a man of energy, of character, of superior business ability, and above all else, a successful man in whatever he undertakes. The truth is, the Company has adopted the best improvements of the day in its organization."—*New England Insurance Gazette.*

HAIR VIGOR. HAIR VIGOR.

HAIR VIGOR. HAIR VIGOR.

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair.

Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hairs thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair the Vigor can only benefit but not harm it if wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil or dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
