MILITARY.—The military board so long talked of, has met at last and organized for the transaction of any business that may be brought before it. The board consists of the following named officers: Capt. William Askins, of Carlisle; Capt. B. F. Butler, of Shippensburg, and Capt. D. A. Barnhill, of Cleversburg. They have attended to the duties assigned them; audited the accounts presented them and issued their warrants on the County Treasurer for the same.

CHOICE FLOUR.—It seems to be a second nature of all good housekeepers to use none but good flour, if it can possibly be obtained. There are a great many brands of flour made and offered for sale, at the present time. Our enterprising young townsman, Mr. Jacob Meloy, is one of the most extensive flour merchants in this place. It has always been his desire to keep none but a choice family article, and we think he has admirably succeeded. The flour manufactured at the Monroe Mills, Churchtown, by Mr. John Shaffner, is a very superior article. We speak from experience, having been presented with a sack, and found it to be as represented. If you wish to obtain choice flour, go to Meloy's, he guarantees satisfaction or no charge. Flour delivered to all parts of town, either day or night.

WHAT DYSPEPSIA MAY END IN.

Indigestion is not dangerous, say the faculty. Perhaps not in its if, while it remains mere indigestion; but look at the consequences to which it may lead and often does lead, when it becomes a chronic disease. A spark of fire is a small thing. A pressure of the foot will put it out; a breath will extinguish it. Yet it may lead to a powder mill, or kindle a flame that will consume a city. In like manner indigestion may produce gastritis, cancer of the stomach, congestion of the bowels, apoplexy, liver disease, and many other dangerous maladies. Is it not wise, then, to check it in the germ? Nothing is more clearly and satisfactorily established than that Hostetter's Stomach Bitters will eradicate dyspepsia in all its stages. The true policy, however, is to extinguish it in the first stages with this wholesome, powerful, and infallible tonic and alterative. It is easier to quench a spark than a flame; and it is easier to cure dyspepsia when it is first developed, than when it has made headway by neglect, and become complicated with other ailments. There is not the shadow of a doubt that the bitters are as directly antagonistic to dyspepsia as water is to fire. There are thousands of cases on record proving this fact. The results are safe and agreeable. All the liquors of commerce prescribed, as stimulants leave a sting behind. But the sting is taken out of the spirituous basis of this great remedy by vegetable medication, and, moreover, the stimulant thus medicated is of exceptional purity. Of all tonics taken as safeguards or remedies for fever and ague, bilious exhaustions, and other epidemics it is the only one that can unit-rmily be depended on.

BE WISE.

While wisdom will benefit you: be not always controlled by your incredulity, hundreds have sought relief from the horrors of dyspepsia through the medium of DEBOUT'S ANTI-DYSPEPTIC STOMACH BITTERS and found it. Why should you suffer when this admirable stomachic has cured many similar cases—why do you doubt while other believe and are cured? Delay in this matter is both dangerous and unprofitable. Your health, happiness and business suffers, while constant neglect is frequently foll-wed by serious and uncontrollable results. DEBOUT'S BITTERS are equally useful in the numerous difficulties *attending* Indigestion; as BILIOUSNESS, CONSTIPATION, &c., while for FEVER AND AGUE and other disorders proceeding from MIASMATA, it is the only reliable preventive and remedy known. 24ae 60
