Under the auspices of this popular institution, over *three hundred thousand homes* have learned to appreciate—by beautiful works of art on their walls, and choice literature on their tables, the great benefits derived from becoming a subscriber

Subscriptions are now being received in a ratio unparalleled with that of any previous year.

TERMS OF SUBSCRIPTION.

Any person can become a member by subscribing *three dollars*, for which sum they will receive

1st.—The large and superb steel engraving, 30x38 inches, entitled,

comprising valuable paintings, marbles, bronzes, statues, &c., forming a truly national benefit.

The superb engraving, which every subscriber will receive, entitled, "Falstaff Mustering his Recruits," is one of the most beautiful and popular engravings ever issued in this country. It is done on steel, in fine line and stipple, and is printed on heavy plate paper, 30 by 38 inches, making a most choice ornament, suitable for the walls of either the library, parlor or office. Its subject is the celebrated scene of Sir John Falstaff receiving, in Justice Shallow's office, the recruits which have been gathered for his "ragged regiment." It could not be furnished by the trade for less than five dollars.

The *Art Journal* is too well known to the whole country to need commendation. It is a magnificently illustrated magazine of Art, containing Essays, Stories, Poems, Gossip, &c., by the very best writers in America.

The engraving is sent to any part of the country by mail, with safety, being packed in a cylinder, postage prepaid.

Subscriptions will be received until the Evening of the 31st of January, 1861, at which time the books will close and the premiums be given to subscribers.

## AYER'S CATHARTIC PILLS.

Are you sick, feeble and languid? Are you troubled with your stomach, liver, bowels? Your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some sort of sickness is creeping upon you, and should be warded off. Take Ayer's Pills, and drive out the incipient humors, purify the blood, and let the sick move on unobstructed in health again. They stimulate the stomach, liver, bowels, and other digestive organs, purge the system from foulest humors, and restore to health diseases which arise from the foul, disordered state of these organs in the first stage of their existence. These, if not rallied and expelled, fasten themselves on the vitals, and are then firmly rooted. When in this condition, they are scarcely dislodgeable by human skill. Ayer's Pills, and see how thoroughly they will do the work of purification, and how speedily the system will regain its healthy tone and vigor when assisted by these antidotes. Compound by the actual experience of the body, they are adapted to embrace cases where suffering from the minor ailments of life, and from other well known public purposes.

*From the Commercial Advertiser of St. Louis, Feb. 4, 1857.*

DR. AYER: Your Pills are the paragon of all excellence in medicine. They have cured my little daughter of a most severe pulmonary complaint that had been hereditarily for years. Her mother has been long afflicted with pulmonary complaint, and I imagine she would fall a victim to it, but for your Pills. After my child was cured, she gave her mother your Pills, and they have cured her.

ASA MORRISON.

**As a Family Physic.**

*From Dr. E. W. Cartwright, New Orleans.*

Your Pills are the prince of purgatives. Their excellent quality is enhanced by the fact that they are so pleasant to take, and yet so certain and efficacious in their action, that we have no longer any excuse for using any other cathartic medicine. Hitherto, we have had to use nauseous drugs, which we could not, and did not, always get people to take, and which, when taken, were not certain to do more than half the work required of them. Your Pills have banished all such from our practice, and we can now cure our patients by the agreeable means, instead of the disagreeable ones, formerly at our command. Your Pills are the cathartic par excellence, and we can now do our patients the justice to give them a cathartic which they will take, and which will do them good. We can now cure them, when, before your Pills were made, we could not induce them to take the medicine at all. We can now, when ordering from the minor ailments, from liver complaints in adults, and from other well known public purposes.

**Headache, Sick Headache, Foul Stomach.**

*From Dr. Edward Boyd, Baltimore.*

DEAR SIR: AYER: I cannot answer you what complaints I have cured with your Pills better than to say *all that we ever treat with a purgative medicine*. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 4, 1857.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache by only one dose of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PEKHLE,
*Clerk of Steamer Charles.*

**Bilious Disorders—Liver Complaints.**

*From Dr. Theodore Bell, of New York City.*

Not only are your Pills admirably adapted to the purposes you mention, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more efficacious for the cure of *bilious complaints* than any one remedy I can mention. I am only rejoiced that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1859.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and do not hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
*Physician of the Marine Hospital.*

**Dysentery, Diarrhœa, Relax, Worms.**

*From Dr. J. G. Green, of Chicago.*

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa*. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

**Dyspepsia, Impurity of the Blood.**

*From Rev. J. V. Himes, Pastor of Advent Church, Boston.*

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1857.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood*.

JOHN G. MEACHAM, M. D.

**Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.**

*From Dr. J. P. Vaughn, Montreal, Canada.*

Too much cannot be said of your Pills for the cure of *costiveness*. Brothers of our fraternity have found them as efficacious as I have, they should place no scruple in recommending them for the benefit of the medicinally who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe our climate to originate in the liver, but your Pills affect the organ and cure the disease.

*From Mrs. E. Stuart, Physician and Midwife, Boston.*

I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and always effectual to *cleanse the stomach and bowels*. They are so much the best physic we have that I recommend no other to my patients.

*From the Rev. Dr. Hawkes, of the Methodist Episc. Church.*

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which baffled every remedy for relief. Notwithstanding I had the best of physicians the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Meakins, I took your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SIDNEY CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured by your Pills of *Neuralgia*—a painful disease, which has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the shockingly disorganizing effect frequently follows its injudicious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Sold by R. S. Bunn, Ebensburg; C. T. Frazer Johnstown; T. S. Empfield, Belsano; P. H. Shiels, Loretto; J. A. Parrish, Summit; and by dealers everywhere.

In all acute diseases, such as Fevers, Inflammations, Diarrhea, Dysentery, Croup, Rheumatism, and such eruptive diseases as Scarlet Fever, Measles, and Erysipelas, the advantage of giving the proper remedies promptly is obvious, and in all such cases the specifics act like a charm. The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened, and rendered less dangerous.

Coughs and Colds, which are of such frequent occurrence, and which so often lay the foundation of diseased lungs, bronchitis, and consumption, may all be at once cured by the Fever and Cough Pills.

In all chronic diseases, such as Dyspepsia, Weak Stomach, Constipation, Liver Complaints, Piles, Female Debility, and Irregularities, old Headaches, Sore or Weak Eyes, Catarrh, Salt Rheum, and other old eruptions, the case has specifics whose proper application will afford a cure in almost every instance. Often the cure of a single chronic difficulty, such as Dyspepsia, Piles or Catarrh, Headache or Female Weakness, has more than paid for the case ten times over.

### LADIES' CHOICE!
## FRIDLEY & CORNMAN'S

SELF-SEALING AND SELF-TESTING, AIR-TIGHT, PREMIUM FRUIT JARS & CANS!

These Jars and Cans being perfectly simple in their arrangement and requiring no cement in order to make them air-tight, any one of ordinary judgment can hermetically seal them by simply screwing the cap down tightly after the fruit has been put in hot.

Besides their simplicity and ease of adjustment and the impossibility of stoppers blowing out, &c., the greatest advantage is that you can at any time see the condition of your fruit by simply looking at the top of the cover. If the gum gasget is concave the fruit is good; if convex it is going to spoil, but will always show itself in time to be saved.

The absence of this test has ever been a matter of anxiety, and frequently of serious loss to those putting up Fruit or Vegetables.

These are advantages which no other Fruit Jars or Cans in this market possess.

Manufactured and sold wholesale and retail by the subscriber, owner of the right of Somerset and Cambria counties.

### HOSTETTER'S
## STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertions or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach over one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of puffing the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dysp
