New Orleans, April 5.—The following important advices from Texas have been received:

Col. Ford, of the Texan army, has received reliable information from Matamoras to the effect that General Ampudia, with three thousand Mexicans, is marching upon Brownsville, and was then only sixty miles off.

General Ampudia had announced his progress by despatching expresses to distribute placards and handbills, announcing that—"Texas rightfully belonged to Mexico. She has declared that she will no longer support the Federal Government, and now is the time to retake her."

Reinforcements, in large numbers, were rapidly coming to him.

Col. Ford had ordered all the heavy guns, ordinance, and stores at Brazos Island, to be immediately removed to the scene of the anticipated troubles.

The United States Steamer *Mohawk*, arrived off Pass Cavallo on the 29th ult.

The steamer *Coatzacoalcos* had sailed from Brazos with 600 U. S. troops.

The steamers *Empire City*, and *Star of the West* were lying at the Pass.

Washington, April 3.—The continued presence of Major McCullough, the Texan Ranger, in Richmond, viewed in conjunction with the call for a secession convention there on the 16th instant, excites much interest in Washington, especially in army circles.

Although no official notification of the coming of French and English fleets have been received by the legations here, gentlemen in prominent positions are satisfied that their movements are in close connection with the observation of Southern political events.

The Spanish fleet which was to have been ordered to the Gulf of Mexico, will now, it is said, be delayed until further instructions can be received from Madrid.

Pittsburg, April 4.—The Philadelphia mail train was thrown from the track thirteen miles from this city, & 1 car thrown down an embankment. Five passengers were injured. The mails caught fire from the upsetting of a stove, and several pouches were damaged or destroyed. The Washington letter mail escaped. The New York and Philadelphia mail was slightly injured. The way mail between Pittsburg and Harrisburg was almost entirely destroyed.

Cincinnati, April 2.—Full returns of the city election yesterday show a Democratic Union average majority of 2600, the highest majority being 4136, and the lowest 2077. The Democratic Union party elect 26 Councilmen, and the Republicans only 8 members. The total vote polled was 23,000.

Cleveland, Ohio, April 2.—At the municipal election at Sandusky yesterday, the Democratic candidate for Mayor was elected by a majority of 155. The Democratic candidates for Treasurer and Solicitor, and the Republican Clerk and Marshall were elected. The board of councilmen stands two Republicans to three Democrats.

Utica, N. Y. April 2.—The election for charter officers took place to day. A full vote was polled, and a Democratic Mayor was elected by 167 majority—a gain of 160 over last year. All the Democratic officers are elected except a trustee in the third ward.

Brooklyn, N. Y. April 3.—The city election here yesterday resulted in an overwhelming defeat of the Republicans. The Democratic majority for Mayor is 5,293, which is nearly double what was anticipated.

Toledo, Ohio, April 2.—At the city election held yesterday, the Democrats elected their candidates for Mayor and Treasurer, and seven out of the ten councilmen.

Norfolk, Va., April 4.—It is reported that a disturbance has occurred at Fortress Monroe. The workmen in the vicinity, raised a Palmetto flag on the outside, under the walls, and dared the officers to interfere.

SPECIAL NOTICES.

POND'S EXTRACT OF HAMAMELIS, OR PAIN DESTROYER.

Is one of the few domestic remedies which have come into general use and favor, without puffing. It is the product of a simple shrub, besides in all cases, and as a domestic remedy unequalled. For *Burns, Cuts, Bruises, Sprains, Lameness, Sprains, Rheumatism, Boils, Ulcers, Old Sores and Wounds*, it has not an equal. It is also used, with great success, for *Toothache, Headache, Neuralgia, Sore Throat, Colic, Diarrhea, Hoarseness*, and other similar troublesome and painful affections, while it promptly arrests all *Hemorrhages*. Hundreds of physicians use it daily in their practice, and give it their unqualified recommendation. Sold by our agents and dealers, and by

FEVER AND AGUE! CHILL FEVER! DUMB AGUE!!!

It is not a very difficult thing to break the ague—that is, for a time to scatter it over the system with Quinine, Arsenic, or similar poisons. But a vegetable medicine which not only breaks the fits, but eradicates it from the system is a remedy worth having. Such is HUMPHREYS' HOMEOPATHIC AGUE PILLS—a harmless sugar pill; it *cures the disease*; breaks up the fits; and eradicates it from the system; and even prevents it where persons are exposed. Children, infants and the most feeble, may take it with impunity. The most inveterate cases are radically cured by it.

Price, 50 cents per box.

N. B.—A full set of Humphreys' Homeopathic Specifics, with Book of Directions, and twenty different Remedies, in large vials, morocco case, $6; ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cts and 50 cts. These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address

Worms.—In a quantity of corrupted matter, there is always to be found a nest of worms. They cannot, neither will they stay anywhere else. Weak stomach and bowels are subject to them, as they have not sufficient power to digest their food. Hence a large heap of matter is lodged, and worms must be the result. A few doses of these pills will disturb them in their nest and drive them out of the system. It should be remembered, that an occasional dose when in health, especially after taking cold, will prevent the disease from forming in the body.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and languishing? Are you troubled with pimples, eruptions, or any form of skin disease? Do your feelings cause you to shun your friends? These symptoms are often the precursors of serious illness. Some bad humor is creeping upon you, and should be expelled by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the foul humors from your blood, and let the healthy current run cheerily onward in its channel again. They stimulate the stomach and bowels into healthy action, purify the blood, and the symptoms disappear, because the cause of them, which made you sick, is removed. A cold settles somewhere in the body, and clogs its natural functions. Then, if not relieved, much more serious mischief and the surrounding organs, perhaps, suffer from the local inflammation, suffering, and disease. In this and all such conditions, experience has proved the decided advantage to be derived from the use of Ayer's Pills, and we have constantly recorded the fact that they cleanse the system, and with it the body and mind, from the foul humors that breed disease and destroy health and happiness. What is true and so generally known in this locality, is also true in many of the surrounding towns and throughout the country. The same results follow the use of them everywhere. Cases of the most obstinate character, of the most long standing, and of the most alarming character, are cured by this medicine, which purges out the corrupted blood from which the disease or complaint originates, and restores the patient to health and vigor. Cases of Scrofula, even the most aggravated form it assumes, Erysipelas, Eruptions, Tetter, Salt Rheum, Ulcers, Blotches, Boils, Tumors, Tumors, Blindness, Piles, Dropsy, Dyspepsia, Liver Complaint, Dysentery, Costiveness, Female Irregularities, Gravel, Rheumatism, Gout, Neuralgia, Tic Doloureux, Heart Disease, Dropsy, Nervous Prostration, Headache, Dyspepsia, Biliousness, Jaundice, Indigestion, Flatulence, Want of Appetite, Loss of Vitality, Nervous Debility, Dizziness, Sleeplessness, Sick Headache, Female Weakness, Pain in the Side, Back and Limbs, Dropsy, Suppression, Retention, Gravel, Diseases of the Urinary Organs
