Democrat and Sentinel.

THE FOURTH OF JULY.—We hear no talk of any contemplated public celebration of "the glorious Fourth" in this borough, or immediate neighborhood. We hear now-a-days a great deal more of celebrations by darkies, over Emancipation, Freedman's Bureau and such like anniversaries. White man's Independence Day, which the poor white man achieved by what once was credited to him as courage and manhood, and at a not inconsiderable outlay of blood and treasure, isn't much thought of along side of darkey's Independence day, which happy Sambo did not achieve through any kind of merit of his own but which was achieved for him by his loving friends who run the Freedmen's Bureau, and who have great need of such as he at elections.

TO TRESPASSERS.—Some persons, not having the fear of the law before their eyes, have been, for some time back, indulging in the sport of shooting squirrels. For the benefit of all parties, we publish the following extract from the law as passed by the last Legislature of this State:

SECTION 2. That from and after the passage of this act, no person shall shoot, kill, hurt or otherwise destroy any pheasant between the first day of January and the first day of September, or any squirrel between the first day of January and the fourth day of August, or any woodcock between the first day of January and the tenth day of July, or any partridge or ruffed grouse between the first day of January and the first day of November, in the present year, and in each and every year thereafter, under the penalty of five dollars for each and every offense.

☞ Col. John P. Linton, of Johnstown, has received a number of free passes over the Pennsylvania Railroad to Philadelphia, to be distributed to all color guards and color bearers of this (the 16th) Military Division, who may desire to participate in the presentation of Regimental Flags on the 4th of *July* next. Application made to him for these passes will be immediately responded to.

DEMOCRATIC TICKET.—The ticket nominated by the Democratic Convention on Monday last, will be found at our mast-head. It is composed of unfaltering Democrats, all of whom are eminently qualified for the positions for which they have been selected. The ticket, from first to last, is deserving of, and should receive the support of every Democrat in the county.

☞ Harry Wilson requests us to state that he expects to receive a supply of fresh Fish on Thursday, June 28, unless the weather should become so warm as to prevent their transportation. Early Vegetables will be received on three or four different days during each week—perhaps on Tuesday, Wednesday and Friday.

SHOOTING OF A RETURNED SOLDIER.—On Monday evening a young man named James Wilson, a returned soldier, committed suicide at the residence of his father-in-law, Robert Murphy, at Orchill Furnace, Armstrong county, by taking up a pistol which was in the room, loading it, placing the muzzle in his mouth and placing his toe on the trigger. The contents passed through his head, the ball striking the floor above and bouncing back. He had been laboring under a derangement of mind since his return from the army.

AFFRAY AT KITTANNING.—On Friday night of last week, an affray occurred at Kittanning, among a party returning from a African church in the vicinity, in which a white man, who appears to have been on intimate terms with the colored people, was so severely beaten that his life is despaired of. Some seven or eight of the parties connected with the assault have been arrested and bound over for their appearance at court.

THE WHITE SLAVE.—*A Tale of the Southern Revolution.*—The well-known novelist, Emerson Bennett, announces a new serial story with the above title, to be commenced in the Philadelphia *Saturday Evening Post*, of July 7th. This story, though somewhat different, is said to be fully equal in its thrilling romance and absorbing interest to "The Phantom of the Forest." It will be about four months in running through the *Post*. The *Post* is also publishing other stories of great interest. One called "Adriana" will we think interest ladies particularly. As "The White Slave" will be commenced with the first number of July, those wishing to procure it can do so if they choose by simply subscribing for the last six months of the year. Price $1.25 for six months; for the *Post* and the *Lady's Friend* (each six months) $2.00. Samples containing the first portion of Mr. Bennett's story sent on receipt of five cents. Address H. Peterson & Co., 319 Walnut street, Philadelphia.
