THE OREGON SENATORS ELECT.—General Joseph Lane, one of the new Oregon Senators, is too well-known to require any notice. He is an able, sound and suitable man for the place. Of the other Senator, the Rochester *Union* has the following:—

"It will be seen by reports from Oregon, that Delazon Smith has been elected United States Senator from the new State. Mr. Smith was once and for some time a resident of this city. We think he left here since 1840, about which time he conducted a daily paper called the *Western Herald*. Previously, he published for a year or two, an infidel paper called the *New York Watchman*, and he used to lecture to the "Free Inquirers" on Sundays. Soon after leaving this city he was converted to Christianity, and was at one time a preacher of the Gospel at the West. He is a gentleman of considerable ability, and we were assured by citizens of Oregon a long time since that he was popular in that Territory and likely to be sent to the Senate when the State should be organized.

NEW YORK, Aug. 18.

About ten minutes past twelve o'clock a fire broke out at the base of the cupola and look-out on the City Hall. The flames were first supposed to be some fire-works let off by the residents of the hall. From some cause the flames were not observed, nor an alarm given by the fire watchman for ten or twenty minutes afterwards, when the whole roof was in flames.

When the fire engines did arrive it was not till the cupola had fallen in and the third story which was used as storage rooms was entirely destroyed before the flames could be subdued.—The second story was also much damaged by fire and water All the principal contents of the Governor's room were saved. The first floor was damaged by water but not by fire. All the documents were saved Wings uninjured save by water and violence.

Gen. Wm. Walker and Maj. Humphrey have been in this city for a day or two.

Valentina Gager, a young German dressmaker, was shot dead last night in this city by her lover, Phillip Morganheil. The latter proceeded immediately to his boarding house, where he shot himself fatally. Jealousy was the cause.

The Brooklyn Common Council last night resolved to give a public reception to Mr. Field and Capt Hudson, for which purpose an appropriation was made and a committee appointed. Mr. Field came up to the city this morning on a tug boat

The Frigate Niagara, arrived at the light-ship this morning, and will come up to the city at high tide

☞ The New York Day Book announces that "a free negro girl, named Caroline, leaves New York today under the protection of Messrs W. J Phillips and J. Rust, for the purpose of selecting her own master and residing in Texas. She prefers this course rather than to remain in New York in a condition of so-called freedom."

Also, much *PHYSIOLOGICAL INSTRUCTION*, which will obviate the necessity of any great amount of sickness, and enable the observant reader to be, to a great extent, her own physician.

☞ MATRIMONIAL.—TO THE LADIES OF THE UNITED STATES:—The 'Amie de Femme' so celebrated many years ago in Paris, and various parts of Europe, for the relief of Female Irregularities, and afterwards so notorious for its criminal employment, is the *practice of abortion*, is now offered for the first time in America.

It has been kept in comparative obscurity, from the fact that the originator, Dr Ricord senior, when he died, left it in the hands of his son, Dr. P. H. Ricord, who has withheld it from general use, lest it should be employed for unlawful purposes. This son is understood to be a physician of wealth and eminence, now living in the city of Paris, and a man of conscientious principles.

His overcoming Female Obstructions, the "Amie de Femme" seems to be *truly omnipotent*, bursting open the mor stual floodgates, whatever cause may have barred them. But it is offered to the public only for legitimate purposes, and all agents are forbidden to sell the "Amie de Femme" where it is understood the object is unlawful.

PIKE, KING & Co.

TO THE PUBLIC.—This certifies that I have this day appointed PIKE, KING & Co., my General Wholesale Agents, for the sale of my Amie de Femme, in the United States, and that I hereby authorise them to supply the "Amie de Femme," in any quantity and to grant sub-agencies within their District.
