QUEEN'S COD LIVER OIL JELLY.—Approved by the N. Y. Academy of Medicine, in their sitting of June 3d, 1857, contains 55 per cent of Pure Cod Liver Oil. *From Pereira's Materia Medica, vol. 2, part 2, page 2243.* "The experience of the profession at large, appears now quite to have established the fact that Cod Liver Oil is one of the most efficacious of all remedies in arresting the progress of pulmonary phthisis: that it enables patients to struggle on longer against the inroads of disease, and thus enables them sometimes to obtain cicatrization and contraction of cavities which otherwise must have produced speedy death."

DR. JACKSON has at the present time over 500 patients who are taking his remedies. He also has the last year been consulted personally by over 1,000 invalids, and also a large number by letter. In no instance to his knowledge have those who have faithfully used his prescriptions and paid heed to his advice, failed to realize benefit, even when there was no hope of a radical cure. Dr J. below presents a very few of the many testimonials, which are on file in his possession for perusal.

TESTIMONIALS Dr. JACKSON, Indian Physician of Erie, Pa., has for the past year treated a large number of patients in our county and vicinity successfully, all forms of Chronic and long standing Diseases, particularly any and all Diseases, arising from an impure state of the blood, also Dyspepsia, Liver Complaints, Nervous and Female Weakness, Consumption, Bronchitis, and all diseases of the Chest and Lungs, are successfully treated by the use of Indian Remedies, which Dr J procures from various Indian tribes, in the West. He also compounds them himself and uses them precisely as they are used by the Red Man. The use of them in this way has given Dr J an enviable reputation. The afflicted should not fail to see him.—*Southern Tier, N Y*

Dr. JACKSON, the celebrated Indian Physician, will be at the Kanton Hotel, on Friday, May 7th, where he may be consulted, *free of charge*, by all who are so unfortunate as to be afflicted with Chronic diseases, Consumption, and the many "ills of life that flesh is heir to." Dr Jackson has acquired an enviable reputation for his skillful and satisfactory manner in which he treats those who seek his aid. His appointments extend over a large portion of the country, and he is thus enabled to treat diseases in all their various forms as affected by different localities.—Those wishing to consult him should be at his room on the day appointed, as his stay is short.—*Hardin County (O.) Democrat.*

CAUTION.—Dr Jackson deems it his duty which he owes to the afflicted, also, to himself to caution the invalid public against a lot of unprincipled imposters calling themselves "Doctors" who wander through the country from place to place, (not even in the same place) imposing upon the sick by representing themselves as using Dr Jackson's Indian Remedies or as being connected with Dr J and sent out by him. In some places these fellows have represented themselves as the "IDENTICAL DR. JACKSON HERSELF." One *particularly* has the past season traveled through several counties, stopping among the farmers, who assumed my name and then swindled the people and even went so far as to exhibit certificates of cures addressed to me. All this is false and scandalous

I have no professional connection with any one in the United States, nor have I at any time ever authorized (and never shall) any person to use my name. I practice only in large towns and cities, and always have and shall publish my appointments in all newspapers near by, circulars in this way the public may know at your time where I am to be found.

Beware of persons wandering as "Doctors" from house to house in your neighborhood. They are all impostors. N. B.—Dr Jackson still continues to treat successfully, all cases of Stuttering and Stammering.

Dr JACKSON, may be consulted at Erie, on Sept 27th, 28th, 29th, 30th, and Oct 1st, at his residence, on Seventh street, three doors west of Peach, north side
