Town and County.

COUDERSPORT, JANUARY 26, 1860.

Warren, the Wellsville wholesale shoe ler, presents another card to our read- this week. Read it, one and all.

Daniels, of Ulysses, is out with a new nouncement this week, and also places card in the business list of the county. is a clever, energetic fellow, and de- ves a handsome patronage from the ple of that locality. Give them a call, try them.

We this week publish a long article on first page on the subject of text Gram- s, written by the Principal of the sses Academy. We know nothing ut the relative merits of the books in stion, and therefore give his article as as sent us, without more comment.

Accident.—We learn that a young man ned Almeron Lyman, son of John Ly- n, Esq., of Roulet township, was seri- ly injured one day last week by a saw- rolling upon him, while unloading landing on the Allegheny Portage this county. He is, however, getting ter at last accounts.

All the Year Round, is now published monthly instead of weekly numbers by American agents, J. Emerson & Co. New York. The January number is ore us, and presents a large amount of ellent literature—among other things story of "The Woman in White" by rles Reade. It is sold at 25 cents number, or $2,50 per year. We did rereive the November No.

We are informed that a movement is foot to form a new County out of ts of Potter, McKean, Elk and Clin- —the portion of this county proposed be embraced being the townships of arton and Portage. We mention this in order that the citizens of this nty, (nine-tenths of whom, we per- e, are opposed to the measure,) may d remonstrances to their members.— ew weeks hence may be too late. We st our members will demand that the pular will of the people of this county ll be expressed as provided for in the stitutional amendment.

Sad Accident.—On Wednesday of last k, Mr. Dwight Coleman was draw- a saw-log to Coleman's log-slide near Allegheny, McKean Co, and was ing a small dry beech tree which was ing against a hemlock, when the log around and struck the foot of the h, and knocking it down, it fell on neck and shoulders of Mr. Coleman, king several of the bones. He call- a young man who was with him to assistance, and gave some direc- s as others came to the spot; but n some one spoke of sending for a tor, he said it was useless to do so, as had received his death blow. He within half an hour after the acci- t. He was a son of the late Dr. Cole- , of Port Allegheny, and was about ears of age. He leaves a wife and children.

Full Length Steel Engravings of WASHINGTON & EVERETT,

Including a View of Mount Vernon,

In the Engraving of Washington. These splendid engravings are from original paintings by Hicks, and are *engraved on steel* in the highest style of Art. They are each 25x35 inches, *each containing six square feet.* So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not first seen. We have paid the first artists their own prices, amounting to MANY THOUSAND DOLLARS, to produce *engravings really beautiful*, as well as *the best portraits*, and that shall be *splendid ornaments to any parlor.*

☞ Opinions that can be relied on:

The Editor of the *New York Observer* says:—"These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others."

The *New York Christian Advocate* says:—"They are among the finest engravings we have ever seen, and THE PUBLISHERS ARE FULLY RESPONSIBLE FOR ALL THEY PROMISE."

Terms, Almost Gratis,

We will send, POST-PAID, securely packed in rollers—

Either Engraving and a $3 Magazine, one year, for $3.

Both Engravings and $3 Magazine, one year, for $4.

☞ Agents who remit $30 at a time, will have an extra copy of each engraving. The Magazines are HARPER'S, THE KNICKERBOCKER, GODEY'S LADY'S BOOK, THE ATLANTIC, BLACKWOOD.

☞ By special arrangement, the entire year's subscription to the Magazines is paid over by us to their publishers, and subscribers receive their supply for the year direct from their respective publication offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazine.

☞ Engravings sent at once, and subscriptions to periodicals commence with current issue, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are best, therefore send early. Address,
