Town and County.

COUDERSPORT, SEPTEMBER 12, 1860.

☞ If you are out of employment, remember that J. N. Boylan, of Milan, Ohio, will give you an agency by which you can make $50 per month over and above all expenses. Write to him and get the Erie Sewing Machine Co.'s circular to agents.

It will need no particular call from us to secure the attention of our readers to the advertisement composed of antic cuts in another column. Here is another chance for the people of this county to feed their morbid desires at the expense of their starving stomachs—all for a quarter dollar.

Charley Jones has just returned from the city with a fine stock of staple goods, which he offers for sale low. He makes known his intentions in our advertising columns. The firm is now composed of C. S. & E. A. Jones.

D. E. Olmsted & Co., are also on hand with a fresh supply of goods, which they advertise in their usual liberal style.

We acknowledge the receipt of a pamphlet copy of the proceedings of the last annual meeting of the Grand Lodge of Good Templars, held in Lancaster in June. The officers for the present year are as follows:

G. W. C. T.—James Black, Lancaster.

G. W. Counsellor—M. H. Wilson, Factoryville.

G. W. V. T.—Mary C. McWilliams, Harrisburg.

G. W. S.—L. Ellen Wright, Lancaster.

Miss WRIGHT, the efficient and worthy Grand Secretary, is now located at Lancaster, where communications in regard to the order should be sent and will receive prompt attention. We are gratified to note her re-election to that office, and a proper increase of salary.—*Fayette Patriot.*

The County Fair Postponed!—At a meeting of the Board of Managers of the Potter County Agricultural and Horticultural Society, held on the 5th of Sept., inst., the following communication from the Hon. A. B. DICKINSON was read:

HORNBY, Aug. 28, 1860.

MESSRS. F. W. KNOX, AND OTHERS:—*Gents:* Yours of the 21st inst. came duly at hand, and in answer I have to say that such time as will suit your convenience, after our Fair; will be convenient for me. Most respectfully yours,

A. B. DICKINSON.

After which, on motion, the following preamble and resolution was adopted:

Whereas, The time fixed for the Annual Fair of Potter County occurs on the same days with the New York State Fair at Elmira, and whereas the said Board have been requested to postpone the time for a few days, it was

Resolved, That the Annual Fair for 1860 be held at Coudersport, on WEDNESDAY AND THURSDAY, OCTOBER 10TH AND 11TH.

The Address by the Hon A. B. Dickinson, will be delivered on Thursday, October 11th.

Old Rochester Nurseries.—Mr. J. S. Davis, the agent of this well known establishment, has been in our place for a week or two past, and will remain here until after Court, taking orders for fruit and shrubbery. He has already taken orders for over $300 worth, and continues to be successful. We are glad to notice this growing taste among our citizens for beautifying their grounds with fruit trees and shrubbery. It has already made our village a most beautiful one, yet there is a vast field for improvement in this wise still open.

The Rochester Nurseries are the oldest and most complete establishments in the Genesee country, and their products are peculiarly adapted to this region, by their hardiness and the fact that they are already acclimated in those gardens. The proprietor of the Nurseries, Mr. E. Moulson, is one of the most experienced nurserymen in the country, and has devoted many years to careful and practical study of the nature and habits of shrubs, fruits and vines; and as a consequence he is now in posession of the choicest nurseries in the country.

Mr. Davis, the gentlemanly agent, is also a careful and experienced man, and whatever orders he takes will be filled to the letter. He has concluded to remain until after Court in order to give such of our farmers as may desire, the opportunity to select from his *fac simile* illuminated catalogue—in which the choicest Apples, Pears, Plums, Grapes &c., are perfectly and accurately represented as they appear growing. We hope our farmers will take advantage of this opportunity to buy knowingly.

☞ The Steamer *Lady Elgin* was run into off Waukegan, on Lake Michigan, at 2½ o'clock last Saturday morning, by the Schooner *Augusta*, and sunk in 20 minutes in 300 feet of water.

The steamer had some 300 or 400 persons on board, of whom only 98 were saved. Some military and fire companies from Milwaukie, who had been on a visit to Chicago and were returning, were on board. The Clerk, Steward and a porter of the boat were saved. The books and papers of the steamer were lost.

ULYSSES ACADEMY.

JOSEPH A. COUPER, A. B. Principal.
MR. WM. GILLILAND, } ASSISTANTS.
MISS H. M. JONES, }

The ULYSSES ACADEMY was commenced in the spring of 1859 and opened to students the following September. Its object is to afford to the youth of its vicinity, and to others who may choose it, as a place of study, the requisite facilities for obtaining a thorough and practical education.

The school is in a neat, two-story building, beautifully situated on a gentle eminence commanding a view of the village and country around. The adjoining yard contains about three acres. The upper story contains a single room; and is used for a chapel, recitation, and study room. This room is lighted by 14 large windows, furnished with seats for 150 scholars, tables, black-boards, maps, charts, clock, thermometer, and Library of Reference Books. The lower story contains two rooms for recitations, one for library, a dressing room, and a hall 8 by 44 feet.

The students board in private families and study in their own rooms. Nearly every family in the village open their houses to boarders. As several new houses are being erected, there will be no lack of accommodations; and, in private families, students can enjoy the comforts of home.

☞ This Institution is better furnished with maps, charts and Reference Books than any similar institution in the country. The Library of Reference contains over 40 volumes, costing about $3,00 a vol. Among them are: APPLETON'S NEW AMERICAN CYCLOPEDIA, 9 vols., THE HOME CYCLOPEDIA, 3 vols., &c. There is a general library under the care of a Librarian; and a Teachers Library containing 25 vols., upon DIDACTICS.

It is very important that Students be present at the commencement, and remain until the close of the term. A record of each pupil's attendance will be kept, and reports sent to every Patron.

☞ *As respects fine and convenient building, beautiful and healthy location, thorough practical and systematic instruction, efficient aids, pure strong and noble incentives this institution acknowledges no superior, and few equals.* The intercourse of the students with each other and with the Instructors is expected to conform to the courtesies and proprieties of cultivated society. MOFFAT'S

LIFE PILLS AND PHŒNIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

Vegetable Life Medicines

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVEY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time, will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years standing, by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy.—Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description; Fields Evil, and Scorfula, in its worst forms, give these remarkable Medicines. Nights of all kinds, Debility, Nervous Complaints, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of MERCURY, will often withhold that Medicines a perfect cure, as they think little to give, and yet may eradicate from the system, all the Mercury, infinitely sooner than any other. Miss Almer lingered erful preparations of Sarsaparilla.
