WYATT WILL CONTEST.

Says He Has Sufficient Evidence of Fraud to Secure the Seat.

There have been many rumors afloat since the election as to the contemplated contest on the part of Hon. Joseph Wyatt, the Republican candidate for the Legislature who was defeated by Evan Griffiths by the small majority of fifty-three. These rumors have so far emanated from an unreliable source, but to-day Mr. Wyatt assured a HERALD representative that he would contest the election.

While election contests are not by any means popular just now in Schuylkill county, yet if Mr. Wyatt has sufficient evidence to show that his opponent was illegally elected he is certainly justified in instituting the contest. He says, however, that he has given the matter much consideration, and has at hand sufficient evidence to show at least sixty-seven fraudulent votes deposited for Griffiths.

The contest is unlike that of the Lyon-Dunn contest, in that the expenses thereof is borne by the state and the proceedings conducted at Harrisburg.
