WILL AM J. BRYAN INJURED.

Fell With a Hotel Piazza and Was Picked Up Unconscious.

St. Augustine, Fla., April 9.—Hon. W. J. Bryan was injured here last evening by the caving in of the piazza from which he was speaking. Nearly 400 men and women were precipitated about 20 feet to the ground and many of them injured, but none fatally. Mr. Bryan was picked up unconscious and removed to a physician's office, where an examination revealed that he had received no injuries of a serious character. It was deemed best, however, to abandon the reception which was to have been given later in the evening.

Mr. Bryan arrived here at 4:00 p. m., and was greeted at the station by several hundred people. At 8:30 he addressed fully 3,000 people from the piazza of the San Marco hotel. At the close of his speech hundreds of people flocked about him, and so great was the strain that one section of the piazza, 40 feet square, fell through.

The wedding occurred between Jersey Shore and Newberry, and was performed by Rev. P. S. Kohler, a Presbyterian minister of Jersey Shore.

Morra came here from Philadelphia a short time ago. It now transpires that he is a member of the Mafia, and was sent here to put Ceranie out of the way. Ceranie is in jail awaiting the outcome of Ceranie's injuries.

Rev. McNally's Success.

Many people will read with pleasure the following complimentary item taken from the Philadelphia Presbyterian referring to the clergyman who preceded Rev. T. Maxwell Morrison as pastor of the First Presbyterian church of town: "Since the Rev. William McNally was installed as pastor of Westminster church, Harrisburg, new life has been infused into the members. The church edifice is becoming too small for the large congregations that assemble every Sabbath to hear his discourses. At the evening service, March 28, there was 1,500 persons present, the pastor speaking for nearly an hour on 'The Day of the Lord and the New Heavens and New Earth.'"

MAHANOY CITY.

Last night James Fogarty, a disreputable character, made an attempt to assault Mrs. Daley, of New York, who is at present visiting Mrs. Matt. Trewella. The two ladies were out for a promenade and were crossing Main street at the Lehigh Valley station when Fogarty accosted them. The ladies made an attempt to run away, Mrs. Trewella taking refuge in the hallway of Lewis' hotel, where she was overcome by fright. Fogarty followed Mrs Daley to the stock yards where her cries attracted the attention of pedestrians, who came to her rescue.

Dr. Swallow's "Evidence" Falls.

Harrisburg, April 9.—The joint committee of the legislature investigating the origin of the capitol fire had another sitting yesterday for the purpose of hearing Dr. Swallow on what he knew of the fire. He made several statements during the hearing as to hearsay matters, but there was nothing important developed. Dr. Swallow was called upon to produce the persons who had given him the information upon which he had based his charges. He refused because, as he said, to do so would prejudice his libel case and his witnesses would be tampered with. He alleged that a woman whom he had summoned as a witness had been seen by somebody, and she was his witness no longer. A gold watch, he said, figured in this transaction. Another witness had been offered $300. The hearing will be resumed next Tuesday evening, when Dr. Swallow will produce other witnesses.

Letter Carriers' Complaint.

Washington, April 9.—Charges of injustice and irregularities against the past administration of the Philadelphia postoffice were made by a delegation of carriers of that office yesterday in a hearing before First Assistant Postmaster General Heath. Congressmen Young and Harmer requested an investigation. Complaint was made of a decrease in the force of carriers after it had been increased in November, 1894, by 89 Democrats, who had been regularly appointed from a Democratic substitute list. The decrease was 95 men, and they alleged that by this reduction 72 Republicans and 4 Democrats (who failed to contribute to a political assessment of 3½ per cent of their salaries) were placed upon the substitute list.

A BOUNDING STONE,

Caromed on a Steer's Head And Struck a Child.

While driving a herd of steers through the First ward Robert Quinn, son of the Mahanoy City butcher, threw a stone at one that persisted in trying to get on a pavement. The stone hit the steer on the head and then bounded through a pane of glass in the house of Steve Orwaitz and struck his seven-year-old daughter just above the bridge of the nose, causing a deep cut on the forehead and a blackening of both eyes. Quinn was arrested last night and arraigned before Justice Lawlor. The case was settled by the young man paying the expenses the parents were put to for doctor's services, etc., and the costs of the suit.

The engine will weigh 4,800 pounds, and will not be delivered before July. It is estimated that 120 gallons of the fluid used in these engines have the same power to quench a fire as 50,000 gallons of water. The engine is to be of the same make as that recently purchased by the Reserve company, of Town.
