MAHANOY CITY.

Kaier's opera house was crowded last evening by the people to witness the production of "Our Boys" by the Mahanoy City High school Alumni Association in celebration of the association's twentieth anniversary. The production was a very creditable one.

The demand for the smaller sizes of coal is so great that the St. Nicholas colliery is running the culm bank on idle days.

The inquest in the case of George Radford will be held this evening. Much speculation has again been aroused over the shooting.

The Northeastern Pennsylvania Conference of the Welsh Baptist church will convene here to-morrow and continue on Saturday.

The Anthracite Steam Heat and Power Company, which is practically the Kaier Brewing Company, will begin laying its pipes in a few days.

Non-suits were ordered at Pottsville this morning in the cases of Thomas, Meron and George Hinkle and Frank Billick, of town, for labor claims against Smith & Campion, contractors of town. The work was done on the Mahanoy City Water Company's new dam. The grounds of the non-suit were that the contracts for the work were made on Sunday and that the contracts were never executed because the claimants had not worked at the dam at all.

Electric Block System.

Several days ago representatives of a foreign wealthy syndicate, who are visiting all the towns of the state, introducing a block system of electric lighting, circulated among the Pottsville merchants in the block bounded by Norwegian, Second and Railroad streets and agreed to provide a plant at their own cost and furnish lights to consumers for one-third less than the original prices of the Edison company, which is almost half the rate since the company raised its prices. A right of way has been asked for from Council.

3000 pair of pants to be sold at sacrifice prices at the FAMOUS. Don't miss this opportunity.

Odd Fellows' Orphan Home.

Four children, two from Renova and two from Jersey Shore, will be admitted to the Odd Fellows' Orphan Home, near Sunbury, this week. Sunbury and Shamokin both have several who will be sent to the home in the near future. The home is now comfortably arranged. A number of bed rooms have been furnished by the Rebekah Lodges of the I. O. O. F. in grand style. The property is paid for and many improvements are being made to beautify the home. Twenty-six counties in Central Pennsylvania compose the district, with a membership of our twenty-six thousand. Every member is required to pay $1 to the home as a membership fee. Over one hundred lodges have paid their assessment and are members of the same and before very long all the lodges will join. The annual per capita tax of 25 cents per member, which is paid by all lodges for the maintenance of the home, with the aid of produce from the farm, will give sufficient revenue to carry on the home and enlarge it from time to time as room is needed. Lodge 591, of town, is a member, and every Odd Fellow should interest himself enough to have his lodge join the home.

TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurements can be quickly overcome without leaving a scar by using DeWitt's Witch Salve. C. H. Hagenbuch.

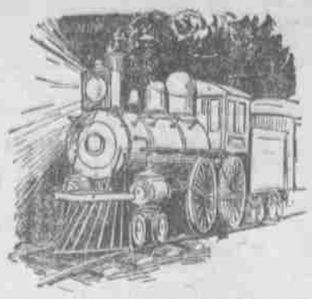
ON THE RAIL.

Railway Men and Travelers Rely on Munyon.

A. M. Barnum, Chronicle Building, San Francisco, Pacific Coast Agent of the Queen and Crescent Route, and formerly



a prominent business man of Buffalo, N. Y., says: "Munyon's Rheumatism Cure cured me and also several of my friends to whom I gave some of that great remedy. Before your agency was established on the coast I was compelled to send East for supplies of your remedies, and have always kept them on hand for the benefit of myself and friends. I carry a pocket case in my valise when traveling in case any of my chance acquaintances should need assistance. I have frequently given away some of the remedies to people in distress. I have great faith in Munyon's remedies."

Rheumatism is known as the stubbornest of diseases. It will not succumb to any kind of medicine except the right kind. Munyon has the right kind, and cures ninety-six per cent. of all cases submitted to his treatment. Munyon's Rheumatism Cure is guaranteed to be absolutely harmless and a strong tonic in building up the weak and debilitated.

Prof. Munyon puts up a separate cure for each disease. At all druggists, mostly 25 cents a vial. Personal letters to Prof. Munyon, 1505 Arch Street, Philadelphia, Pa., answered with free medical advice for any disease.

PERSONAL MENTION.

Davis M. Mellon, of Tremont, was a town visitor to-day.

L. A. Bamberger returned from Philadelphia last evening.

Mrs. M. J. O'Neill, of South Main street, spent yesterday in Pottsville.

William E. Phillips is confined to his home on account of affliction of his eyes.

Mrs. Lewis Evans, of Hickory Swamp, was a guest of town friends yesterday.

Charles Burchill and wife, of Mahanoy City, were guests of town friends to-day.

B. F. Mansell attended the Alumni of the Mahanoy City High school at that place last evening.

Detective Richard Amour has a piece of marble from the statue of Gen. Grant, at New York.

Oliver Eisenhower, of the Wilkesbarre News Dealer, is the guest of his parents, on South White street.

John Danks returned home from Philadelphia last evening, after spending several days as the guest of Dr. A. C. Morgan.

Harry Mellet, of Scranton, is spending several days in town as the guest of his aunt, Mrs. Mary Mellet, on South White street.

Mrs. Michael Conry, Sr., of South Main street, is reported as being seriously ill. She is the mother of Health Officer Patrick Conry.

T. J. Brenghall left this morning for Pittsburg to join his family, who are the guests of Mr. and Mrs. Henry Schaeffer, formerly of this place.

Marriage Licenses.

John M. Yaisle and Clara A. Bennett, both of Pottsville.

Walinty Puchalski and Mrs. Franciszka Koulcryuska, both of Shenandoah.

P. O. S. of A. Shortage.

From private letters from officials of the mortuary fund of the P. O. S. of A., it is definitely learned that the defalcation of John H. Hoffer, of Lebanon, formerly cashier of the First National Bank there and treasurer of the P. O. S. of A. fund, amounts to more than $10,000.

For bronchitis, asthma or kindred troubles of the throat or lungs, take Dr. Wood's Norway Pine Syrup, a household specific for all these complaints.

A False Champion.

From Pottsville Chronicle.

Workingmen are to be protected in their desires to join labor organizations, or at least the bill giving them that protection has passed the Senate. Strange, too, in this connection, Senator Coyle did not vote for the bill, although he represents a district wherein there are thousands of workingmen who would like to belong to labor organizations, but fear their employers. The Senator must think more of his corporation friends than he does of his workingmen friends.

Orders for flowers from Payne's nurseries, left at Morgan's Bazar, will receive prompt attention. 5-13-eod
