Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

Lacey Eles, a well-known merchant of Cincinnati, Ohio,

"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed to do good effect and all satisfactorily to the purchaser. In the face of our popularity it does seem strange that I can recommend like it be done in our calling."

...uptions, Pimples, Blotches, Pustules, Ulcers, Boils, and Tumors of long standing.

From Rev. [illegible], Newark, N. J.

"Lately in my duty I read and the public when I say to testimony to that cure published of the virtues of your SARSAPARILLA. My daughter had been touched in a similar manner to the above, and hair for years, which we were about to despair of ever seeing restored. Your SARSAPARILLA has well for our children."

Mrs. Jane E. Rice, well known and much esteemed lady of the same place, speaks of Cincinnati.

"My daughter has suffered for years past with a malignant eruption, which was very troublesome, nothing afforded any relief until we tried your SARSAPARILLA, which has wrought completely cure there."

Rev. Charles P. Gage, Pastor of Church, Mary's Church, Cincinnati, speaks of Sarsaparilla in N. York, N. H.

"I had for several years a very troublesome humor in my face, which grew so painfully severe in the winter that it almost blinded me. I tried almost every thing a man could, of both physicians and chemists, but found no lasting relief whatever, until I took your SARSAPARILLA, which immediately made my face smooth, as you all see it to night for a time; but in a few weeks the new growth began to form under the blotches, and I feel that my face is as sound as any body's. I can without any hesitancy recommend it to other sufferers wherever I go. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Dropsy—General Debility—Purify the Blood.

From Dr. B. H. Smith, Bowery, N. York.

"Dr. AYER. I feel bound to make known the wonderful benefit received by the perusal of your SARSAPARILLA, and I have just now cured a patient of Malignant Erysipelas with it. No other medicine equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. P. Jackson, Esq., Wilkesville, Ohio.

"For twelve years I had the worst Erysipelas on my right arm, during which time I tried all the boasted physicians I could reach, and took hundreds of dollars worth of medicines. The sinews became so bad that the cords became visible, and the doctors decided that my arm must be amputated. I commenced taking your SARSAPARILLA. Took two bottles and some of your PILLS. Together they have cured me. I am now as well and sound as any body, and working in a public place, my case is known to every body in this community, and excites the wonder of all."

Hon. Henry Moore, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, and find it a valuable medicine for purifying the blood. Many wonderful results have come to my knowledge, and I feel confidence in recommending it to the afflicted."

Tetter, Tumors, Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

Jeremiah Shisler, Esq., the able editor of the Chambersburg Democrat, Pennsylvania.

"Our only child, about three years of age, was afflicted by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent eruption which covered his face, and actually blinded his eyes for some days. A skilful physician applied a variety of salves and other remedies, without any apparent effect. For whom days we guarded his hands, lest with them he should tear open the festering and excruciating wound which covered his whole face. Having tried every thing else we had any right to, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and healed as well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

Dr. Hiram Stoll, of St. Louis, Missouri.

"I find your SARSAPARILLA a more efficacious remedy for the secondary symptoms of Syphilis than any other. For syphilitic disease than any other we possess. Testimonials are indebted to you for some of the best medicines we have."

Dr. A. J. French, M. D., an eminent physician of Worcester, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and cured in some cases that were too obstinate to yield to other remedies. I do not know what we can expect with more certainty of success, where a powerful alterative is required."

Dr. Chas. S. Van Lieu, of New Brunswick, N. J.

"A dreadful ulcer on his leg, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more incurable and dressing them this, and it took several dozen bottles to cure him."

Leucorrhœa, Whites, Female Weakness,

are generally produced by Internal Scrofulous Corruption, and are very often cured by the alterative effect of this SARSAPARILLA. In some cases however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Shrenill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhœa, Internal Ulceration, and general debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,

when caused by the Scrofula in the system, are rapidly cured by this ENT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

MAGIC TIME OBSERVER.

Being a Hunting or Open Face or Lady's or Gentleman's Watch Combine, with Patent Self Winding Improvement a most Pleasing Novelty

ONE OF THE PRETTIEST, MOST CONVENIENT, AND decidedly the best and cheapest time piece in general use ever offered. It has within it and connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outerone being fine 16 carat gold. It has the improved ruby action lever movement, and is warranted an accurate time-piece. SILVER WATCHES!

First Class Hunting Time Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognised by cutting or heavy engraving, making it, not in appearance, but indurability, the best resemblance of SOLID STERLING SILVER in existence.

The sale of these Watches in the Army is a source of enormous profit, retailing, as they very readily do, at $25 and upwards. Many hundred dollars can be made in a single pay day by any one of ordinary business. agact
