'Go For Broke' Film At Grand Sunday

Van Johnson is the star in the M-G-M production, "Go For Broke," at the Grand Theater in Patton this coming Sunday, Monday and Tuesday, June 24, 25 and 26. This production is the successor to the famed "Battleground" in which Mr. Johnston also starred.

The motion picture has absolute realism. This includes details of the uniforms, insigna, G. I. humor and even noting that during sequences in which the 442nd was in a certain village, rain was falling. Reproduction of Italian and French scenes and the slopes of the Vosges Mountains, where the 422nd staged its bloody rescue of the Texas 36th's "lost battalion" was achieved from actual photographs.

The picture's unusual title stems from the unit's battle cry, meaning Shoot the Works!

Wholesale 'Pop' Prices Drop Under Resolution By Cambria's Bottlers

Regional officials of the OPS in Pittsburgh explain that the price of soft drinks in Pennsylvania depends in part on whether dealers previously showed the price as including the expired state tax on "pop."

"If a seller formerly advertised a soft drink as costing 7¢, 1¢ for state tax, for example, he now must sell that drink for 6¢," a spokesman said, adding:

"But if his posted or advertised price used to be just 7¢, with no mention of the state tax, he still can sell the drink for 7¢."

It was stated there was no new price freeze on soft drinks except the order of last December which regulated their price.

The OPS ruling explains why at least once chain of supermarkets has discontinued handling bottled soft drinks with the exception of one brand. The retail price of the brand still stocked was dropped 1¢ following the expiration of the state tax.

Other bottlers, however, are planning to cut prices—at least to the retailer.

The Cambria County bottlers' organization this week decided to drop the price per case as of this week. The move, it was reported, was made to meet competition.

The price drop per case to the retailer was said to be as follows: Seven-ounce, from $1.25 to $1.15 to $1.01; 12-ounce, from $1.25 to $1.12, and 32-ounce, from $1.61 to $1.45.

C. R. Sanders of Cassandra is president of the county group. A spokesman said the bottlers had raised their prices to the former level as of July 1, before OPS ceiling prices.

South Fork Family Fined For Illegal Sale of Liquor

Four members of a South Fork family were directed to jointly pay a fine of $100 after they admitted in Cambria County Court this week of selling liquor without a license at their restaurant.

The are Steve and Anna Palov and their son and daughter, William and Mary Palov.

An investigator for the State Liquor Control Board told the court that he purchased liquor at the Palov restaurant on three occasions in February.

Paul J. Wills, Loretto, Chairman Of County American Legion Group

Paul J. Wills of Loretto will head the Cambria County Committee of the American Legion for the coming year.

Mr. Wills, a former Cambria County maintenance superintendent for the State Dept. of Highways, succeeds Van Harvey of Barnesboro. The reorganization meeting was held Tuesday in the Parkhill Legion Home.

Francis Huber of Patton was named vice chairman and Paul Loman of South Fork, treasurer. A secretary will be appointed at a later date.

Mr. Wills, who also is commander of Loretto Post 748, resigned as highway superintendent last February and took over a post with the Sanitary Water Board of the State Dept. of Health. He also has served as county coroner.

Three resolutions were passed during Tuesday evening's meeting. They were:

1. To provide outpatient treatment, which would include dispensary treatment and dental service, for all veterans by the Veterans Administration. At the present time, the treatment is available only to veterans of the Spanish-American War.

2. Resolution asking that the 90-day qualification period necessary in the armed forces before a veteran is eligible for pension and other benefits be reduced to 30 days.

3. Resolution asking the federal government to establish the groundwork for a federal works program, operated on a non-political basis, to provide work for jobless veterans during future periods of unemployment.

It was announced by County Service Officer Harold Gibb that the county now will pay death gratuities for Korean War dead. As in the case of veterans of other wars, the county will provide $50 for the purchase of a tombstone and $100 for burial expenses.

Keystone Boys Camp will not be held this year due to the fact that the Army plans to reopen Indiantown Gap military reservation, site of the boys' camp.

Discussion was held on reports of widespread desecration of veterans' graves. In some instances it was reported Flags have been removed, tombstones overturned, and in scattered instances the latter removed from cemeteries. An investigation is planned.

The next meeting will be held July 17 in Beaverdale.
