DHS homerooms will be posted on bulletin boards

Principal Frank P. Galicki announces that the 1995-96 school year will begin for all students Aug. 30. The professional staff will participate in orientation programs August 28 and 29.

The high school begins at 8 a.m. and dismisses at 3 p.m. Parents should consult the bus routes published in the newspapers to determine their child's bus assignment and departure points. Any concerns regarding bus transportation should be addressed to Mrs. Susan Farr, at the Dallas School District Administration Offices, Church Street, Dallas.

All seniors, juniors and sophomores should consult the bulletin board listings in the cafeteria and report to their assigned homerooms at 8 a.m. Freshmen are requested to report to the auditorium. Secondary students who have not registered for school should report to the building office of their respective schools.

The school lunch program will begin August 30. The first day of school is a full-day session. Students lunches for senior high school students are a la carte.

Westmoreland Elementary School in Trucksville, which is being reviewed for repair or replacement.

First day at Westmoreland

For all kindergarten to fifth grade students who attend Westmoreland Elementary School, classes will begin Aug. 30. The professional staff has been preparing the buildings and participating in the orientation programs prior to the opening of school to make the first day as smooth as possible.

First through fifth grade students will attend full day sessions from 9:15 a.m. to 3:45 p.m. Parents should consult the bus routes published in the newspapers to determine their child's bus assignments and departure points. It is requested that students ride the bus to and from school the first day to facilitate students awareness of their bus assignment and to aid the district in maintaining accurate and comprehensive students transportation records. If it is necessary for a parent to accompany a child to school, it is suggested that the student ride the bus and the parent meet the student at the school building. The school building is not open to students prior to 9 a.m. *Please - no early arrivals!*

Kindergarten students will attend pre-arranged sessions August 30 and 31. On September 1, morning students will take buses to school and be dismissed with other students at the end of the day. On Tuesday, Sept. 5, they will attend regularly scheduled kindergarten sessions.

There is no school for students on Labor Day, September 4.

To facilitate students room assignments on the first day, the following plans have been developed. All students in grades two through five will report directly to the cafeteria on the second floor. Grade one students will report to the first floor hallway where teachers and volunteers will be available to aid the student in finding his/her classroom.

Students can bring their own lunch to school or purchase a hot lunch from the cafeteria for $1.30. Milk is 40¢.
