## DINGMAN'S FERRY.

Messrs. Joseph and Wallace Bensley are working on Calvin Cron's new dwelling house near Center. This building when completed will be a fine one, up to modern style and covered with a slate roof.

Farmers had a serious time in gathering their harvest down this way and much was almost spoiled. They are now busy in hay and their oats are proving a good crop.

Alpheus Bensley makes a trip through this district and visits Silver Lake twice a week with his meat wagon. He seems to be favored with a good patronage, and our two other butchers, E. B. Kintner and "Reed" Morgan, are also doing a thriving business in that line.

The board of school directors of Delaware township hired teachers on the 2d inst.

Calvin Cron has purchased the property known as the M. H. Layton estate of Solinda Layton and expects to build a new barn thereon this fall.

Rev. Morris T. Gibbs and wife, who is a daughter of David O. Brodhead, visited old time friends in Delaware recently.

Milton Labar will very soon remove his steam sawmill upon the property of John W. Frazier near Indian Ladder and work up the lumber thereon recently bought by Fred Eilenberger and Fred's corps of hands will begin earnest work there also.

It is quite probable that quails and rabbits will be plentiful hereabout this fall and Bob White and Bunny will have a hard time of it when the open season arrives. An old gentleman in Lehman told the writer any one was welcome to hunt on his premises—and he owns a good many acres of woodland—excepting those who have posted their lands and they would be ordered off forthwith. Farmers are busily engaged gathering their hay and harvest.

Mrs. J. Gilmore of Centre and a party of relatives enjoyed a camping trip to Brown's mill last week.

My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."
W. D. Quinn, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

## SANDYSTON.

L. L. Rosenkrans, formerly a teacher in this town, is visiting relatives in this county during vacation time. Lester has been teaching for several years at Leonia, Hudson county, and will remain there the coming year.

Word was received here on Saturday last of the death of Benjamin Van Sickle, a son of B. P. Van Sickle, deceased, of Bevans. Mr. Van Sickle resided near Canton, Bradford county, Pa., for over 20 years. His health becoming poor he sold his farm and intended to visit his brothers residing in this town this summer. Wheeler H. Peckham, an eminent lawyer in New York, in a speech upon the excise question before Mayor Low made this startling assertion: "In Connecticut, I think, the law still stands, which makes it a misdemeanor for a man to kiss his wife on a Sunday." I think New Jersey has laws equally as ridiculous on her statute books and still in force and probably Pennsylvania has too.

Hay and harvest have been a trying time for our farmers and much of both has been put in barns in a damaged condition. Oats are on hand and are reported as being very good.

Comrade Webb and daughter of Lafayette, N. J., spent a few days last week visiting Comrade Padgett near Milford. He had two crates of huckleberries, but whether he picked them that is another question. Call again, comrade.

The rains of Sunday night and Monday gave 1.78 inches of water. The ground must be full of water and our fishermen complain that the Delaware stays too high to catch any bass. At least very few are being caught.

I am informed that the annual picnic of the Farmers, Mechanics and Tradesmen's association will be held at Culver's on Saturday, August 30. The Lake Grinnell picnic will have the subject of good roads discussed and it would be a good thing if the Culver picnic would follow suit.

**Very Convenient at Times.**

"But we can't leave man out of our calculations entirely," said the advanced woman regretfully.

"Certainly not," admitted the one who was not so far advanced. "When there are any expenses to be met it is most convenient to have him around."—Chicago Post.

**A Necessary Ingredient.**

The tenderfoot was announcing his intention of showing the foolish westerners a thing or two about high life.

"I," he asserted, "have plenty of dough. Don't forget that."

"You," murmured the Mexican monte dealer, "will be a pudding for us."—Baltimore American.

**A Sure Preventive**

It is better to prevent consumption than to afterwards be looking for a cure. Many cases become incurable simply because so long neglected. When you first catch cold, when you first begin to cough, make haste to use Mexican Syrup. It may save your life for it has proven a quick and never failing cure for sore and irritated lungs, tickling in the throat, etc., resulting from a cold accidentally taken. It is only 25c a bottle and is sold at drug stores.

**This is Right**

There is one good thing about Mother's Worm Syrup and that is, it will never do any one a bit of harm should it fail to do him good. It is a good idea to try this remedy if you feel bad and don't exactly know what ails you. There may be a tape worm a hundred feet long that is causing your loss of health. If so a 25c bottle of Mother's Worm Syrup will kill and remove it from your body.

**A Reliable Family Pill**

A Mexican Root Pill taken when you begin to feel bilious or when your bowels fail to move as they should may ward off a long spell of illness. Get a 25c box.

**Pain Makes Life a Burden**

It is wrong to let those you love suffer pain or to be in pain yourself, when Gooch's Quick Relief costs only 25c a bottle. Best cure for cramps and colic.

**A Modern Miracle**

Gooch's Sarsaparilla enters into and changes the composition of the blood lacking sufficient red corpuscles to make it pure Then the pure blood, circulating with healthful activity, permeates every fibre of flesh and restores better strength and better feeling to every part, completely curing sores and pain.

**Pile-ine Cures Piles**

Money refunded if it ever fails. Anti-Ague cures chills and fever.
