Carriers To Aid In Stock Survey

Postmaster Elmer Zerphey has announced that rural mail carriers (and Star Rte. Contractors) will begin distributing 1961 Livestock survey Cards to patrons on their routes about May 19. Livestock cards will be placed in the mail boxes of a sample of farmers served by the Mount Joy Post Office.

This Livestock Survey is one of two which your Post Office and Agriculture Departments cooperatively conduct each year. The other one takes place in November

The June Livestock Survey provides basic information to the Pennsylvania Crop Reporting Service in Harrisburg, for estimating livestock numbers on farms livestock production, the size of the pig crop this year; the calf crop; the lamb crop chickens raised; and milk cow numbers on farms. Reports from a cross-section sample of farmers provide the cornerstone for reliable and accurate forecasts.

To be sure this locality is well represented in this state-wide survey, Postmaster Zerphey urges each person receiving a livestock card to fill it out and return it to the carrier.

Rural carriers participating in this cooperative survey are: Route 1. Bruce Greiner and Route 2, Lloyd Swarr.
