'Way Back When

By Martha Rainbolt

40 YEARS AGO
August 10, 1921

Roy Shaffer, who lives near Florin and is employed in the New Standard Works, Thursday had a hand badly lacerated when he caught it in a machine which he was operating.

Miss Mary Peoples received a very handsome Ranger bicycle for soliciting twenty new subscriptions for the Patriot and Evening newspaper. Mary wishes to thank all the new subscribers who helped win the bike.

Mrs. P. J. Deiter and daughters Lottie, Elizabeth and Marion and Mr. Juy Tweed of Lancaster, Mr. and Mrs. Arthur Hershey and Paul spent several days at Mt. Gretna, Hershey, Hummelstown and Palmyro, making the trip by auto.

At an athletic meet at Camp Chiquetan last week between Boy Scouts from Lancaster, Columbia, Mt. Joy and other places, Walter Thome, of this place, won first prize in "cleaning the deck."

25 YEARS AGO
August 12, 1936

Dr. W. L. Shoop, East Main St., dentist, suffered a fractured wrist when thrown from his horse while playing polo at the Elizabethtown paddock Sunday afternoon.

A lawn shower was held at the home of Mr. and Mrs. Earl Kaylor, at their home on David St., in honor of their daughter and son-in-law, Mr. and Mrs. Lawrence Witmer, who were recently married.

Kenneth Leiberher, son of Mr. and Mrs. Fred Leiberher of Donegal Street, has made a 17 days' bicycle trip—from Mount Joy to Dallas, Texas! He will graduate from our local high school with the class of '37. He has carried papers for the Harrisburg Telegraph for 12 years, thus earning expense money for his summer bicycle tours of the United States.

"Ken," at this writing, is pedaling his way home from Dallas, Texas, where he visited the Exposition. Leaving Mount Joy on June 29th, with a few sandwiches, money and a bicycle between him and the elements, Ken cycled to Dallas, Texas in 17 days. In our opinion that's "making knots." He averaged 100 or more miles a day, in temperatures varying from normal to 110 degrees in the shade, took the mountains as they come, saw the sights as he came upon them, and in his own words, "kept everything under control."

Farmers Attend District Meet

Lancaster County had nin members attend the Pennsylvania Farmers' Association District Meeting held at the Stock Yards Inn, Lancaster on August 1 according to Harold Rohrer.

Members in attendance from Lancaster County were James Garber, Ray Young, Herman Shirk, Robert Brinton, Isaac Miller, Lewis Bixler, David Miller and Donald Ney.

PFA Director Carl Empire was chairman of the meeting.

The morning session was a review of accomplishments made by farmers and a look into the future of what must be done.

The afternoon program was divided into three discussion groups on Policy Development, Membership, and Advisory Councils.

To reap the benefits of the many programs and services offered, PFA members need to actively participate in all programs, said President Harold Rohrer of the Lancaster County Farmers' Assn.

Penna. Leads In Ice Cream Production

Dairy plants in Pennsylvania during 1960 produced a total of 75.1 million gallons of ice cream, enabling the Keystone State to maintain it's position as the leading state in the manufacturing of this item. New York State with a production of 73.5 million gallons was second. Compared to a year earlier both Pennsylvania and New York production gained one percent each.

Production in plants with an annual output of 20,000 gallons or more (primarily for wholesale) acounted for 95 percent of total ice cream production as compared with 92 percent of the total in 1959. Approximately 92 percent of total output was hard frozen products as compared with the 1959 figure of 94%.

Ice milk output registered a 17 percent increase over 1959 and reached a new high of 6.0 million gallons. It also accounted for 7 percent of total frozen products; an increase of 1 point. The number of establishments producing this item reached 813, a new high. Of this number about seven-eighths are classified as counter-freezer establishment.
