THE SECRET. Those who prize a beautiful head of hair (and we know our lady friends all do.) will thank us tor a few words on the invaluable qualities of AVER'S HAIR VIGOR as a dressing. In our own case it heals a humor,

keeps the head free from dandruff and scurf, stops the tendency of our hair to fall, and heightens its beauty. A slight touching with it removes the coarse and dry appearance which neglected hair puts on, imparts a tich gloss, and makes us presentable in the most fashionable company. Such rare qualifications, presented in a single preparation, create it an enduring value: but add to these the faculty of restoring to grey locks their youthful color, and maintaining our good looks with so small an expenditure of time and attention, and you stamp it prime favorite with the public, and ensue its permanent and enduring popularity .- [Huotsville (Ala.)
