A dispatch from Madrid states that the Spanish government intends sending a communication of importance to the various European powers at an early day, on the subject of the Cuban question. It is reported that Doekray, sentenced in Cuba and sent to Spain, where he was to suffer a long imprisonment, has got away, and that he managed to borrow money of Mr. Cushing before doing so.

Washington, January 7.—The general comment here in Republican circles regarding Blaine's proposed substitute for Randall's amnesty bill is to the effect that by excepting Jeff Davis that gentleman will be given too much prominence, and be brought before the country in the guise of a martyr. It is held that he is harmless now and of no earthly importance, and if he is ever again brought into consequence it will be by just such action as Mr. Blaine contemplates.

HOW TO ADVERTISE IN THE ADVOCATE. BY MAIL 20 CENTS. GEO. POWELL & CO. NEW YORK.

THE WEEKLY SUN. 1876. NEW YORK. 1876.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter, and all of them and everything connected with them will be fully and freely reported and expounded in THE SUN.

The Opposition House of Representatives taking up the line of inquiry opened years ago by THE SUN will sternly and diligently investigate the corruptions and misdeeds of GAZA's administration, and will do so by the aid of the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts furnishing its readers with early and trustworthy information upon these absorbing topics.

The Weekly Sun, which has attained a circulation of over eighty thousand copies already has its readers in every State and Territory, and we trust that the year 1876 will see their numbers doubled. It will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when unimportant at full length when of moment, and always, we trust treated in a clear interesting and instructive manner.

It is our aim to make THE WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading such as stories, tales, poems, scientific intelligence and agricultural information for which we are not able to make room in our daily columns. The agricultural department especially is one of the prominent features. The regulars are also regularly reported in its columns; and so are the markets of every kind.

THE WEEKLY SUN, eight pages with fifty-six broad columns is only \$1.25 a year, postage prepaid. As the price barely repays the cost of the paper, no discount can be made from this rate to clubs, agents, Postmasters, or anyone. THE DAILY SUN, a large four page newspaper of twenty-eight columns gives all the news for two cents a copy. Subscription, postage prepaid for a month or \$3.00 a year. SUNDAY edition extra \$1.00 per year. We have no traveling agents address THE SUN, New York City.

TO THE CITIZENS OF PENNSYLVANIA.—Your attention is specially invited to the fact that the National Banks are now prepared to receive subscriptions to the Capital Stock of the Centennial Board of Finance. The funds realized from this source are to be employed in the erection of the buildings for the International Exhibition, and the expenses connected with the same. It is confidently believed that the Keystone State will be represented by the name of every citizen alive to patriotic commemoration of the one hundredth birthday of the nation. The shares of stock are offered for \$10 each, and subscribers will receive a handsome engraved Certificate of Stock, suitable for framing and preservation as a national memorial.

Interest at the rate of six per cent per annum will be paid on all payments of Centennial Stock from date of payment to January 1, 1876. Subscribers who are not near a National Bank can remit a check or post office order to the undersigned. FREDK FRALEY, Treasurer, 904 Walnut St., Philadelphia.
