LIFE, Growth, BEAUTY. LONDON HAIR COLOR RESTORER LONDON HAIR COLOR RESTORER

Not a Dye; makes barsh hair soft and sitky; cleauses the scalp from all impurities.

causing the hair to grow where it has fallen off or become thin.

Can be applied by the hand as it does not stain the skin or soil the finest linen. As a Hair Dressing it is the most perfect the world has ever produced. The hair is renovated and strengthened, and natural color restored without the application of mineral substances.
Since the introduction of this truly valu-

able preparation into this country, it has been the wonder and admiration of all classes, as it has proved to be the only article that will absolutely without deception, re-store gray hair to its original color, health softness, lustre and beauty, and produce hair on bald heads of its original growth and color.

This beautiful and fragrantly perfumed article is complete within itself, no washing or preparation before or after its use, or accompanyment of any kind being required to obtain these desirable results.

Read this Home Certificate, testified to by Edward B. Garrigues one of the most competent Druggists and Chemists of Phila-delphia, a man whose veracity none can

also testify my bair was quite gray when I commenced its use. MRS. MILLER, No. 730 North Ninth street, Phila.

Dr. Swayne & Son, Respected friends: have the pleasure to inform you that a lady of my acquaintance, Mrs. Miller, is delighted with the success of your London Hair Color Restorer." Her hair was fast falling and quite gray. The color has been restored, the falling off entirely stopped, and a new growth of hair is the result.

July 22d, 1871.—Dr. Swayne & Son:— Last winter while in Trenton, N. If you please, send me one dozen bottles C O D care W S Fogler & Son Druggists, No 723 Trement street, Boston. Respectfully yours, ADA BAKER No 59 Rutland, Square.

WM. JAS. MILLER, Rector. Oil Meeting.

The citizens of Ridgway held a neeting in the Court House, last aturday evening, to take action in the matter of putting down an oil well in this immediate vicinity. E. J. Miller was elected chairman and Will Dickinson, Secretary. After considerable discussion on motion Geo. D. Messenger, sr. the following committee was elected to look the matter up and ascertain how much money will be subscribed for the purpose, and to report at a meeting to be held in Rhine's Hall on Saturday, April 15th, 1876, J. H. Hagerty, D. C. Oyster, W. H. Osterhout, Jerome Powell, C. R. Earley and Will Dickinson.

The Spelling Bee

THAT WAS AND IS TO BE. We are informed that the spelling bes on Friday evening last at the school house, was very satisfactory indeed. Our boy had to go and get sick or we would have been in attendance, but 'there's many a slip twix't the cup and the lip" and so instead of our treading around the school room in search of a seat, after failing on some simple word, we were treading around in our own house all night in short skirts, likea Diogones lautern in hand, 1475 00 and looking for Mother Bailey's quieting syrup. We learned the scholars and teachers were victorious in both the oral and the written contests. It was impossible to get twenty spellists in town to take up the battle against the school, and hence the school had a deelded advantage in the oral contest. Let us all go up next Friday evening, and from the Doctors, Lawyers, Editors, Preachers, Merchants, &c., it ought to be possible to select twenty who can come out victorious over Young America." Geo. R. Dixon will 2 32 select the words for the occasion and pronounce them to the contestants. The words selected will be those in common use and such as are met with by the average reader. E. J. Miller, O. Millstone township, having examined | B. Grant and Horace Little, are asked to serve as Judges. It is hoped that cach Judge will be equipped with Webster's Pictorial Unabridged and will not be backward about using it. The kidgway Glee Club may be present and Auditors. discourse harmonious strains. The admission fee will be reduced to five cents.
