CONSUMPTION CURED.

Dr. Fenner's Blood and Liver Remedy and Nerve Tonic is decidedly the best remedy for Chronic Coughs. In recent colds and coughs his Improved Cough Honey readily cures. But in coughs and lung and throat diseases of long standing, the system must be cleansed and regulated and impressed with the healing influence of the Blood Remedy. It places the Superintendent. system in a healing condition. Then the Improved Cough Honey used with it, readily causes long standing coughs to yield. The tollowing illustrates its success in severe coughs:

Dr. M. M. Fenner, Fredonia, N. Y.-Dear Sir-In March last my son Elwood had a terrible cough, resulting from measles. I procured two bottles of your Improved Cough Honey, which produced a complete and permanent cure. I have recommended it to others, and know its action and success are always certain. I consider it the best cough remedy now known. No one who has ever tried it would be without it when needed, or

fail to recommend it to his friends. It is pleasant to take. Children do not object to it.

Yours truly.
