PETERSON'S MAGAZINE for June opens with an exquisite steel engraving "Sybil's Swans." In addition it has a double-size colored fashion plate, about twenty other fashion illustrations, and dozens of patterns for embroidery, netting &c., &c. It has also a pattern for a tidy in Java canvas, large size, which is alone worth the price of the number. "Peterson," it must be remembered, is only two dollars a year; and in clubs can be had as low as \$1.50. How so elegant a magazine can be published so cheaply, is only to be explained by its enormous edition, which the proprietor claims is the largest of any lady's book in the world. "Peterson" has missioners

Undoubtedly "Peterson" is the best and cheapest of its kind. Specimens are sent, gratis, to those wishing to get up clubs. Address Chas. J. Peterson, 306 Chestnut Street, Philadelphia.

#### PERSONAL.

That magnificent piece of architecture, the new brick M. E. church, of Fredonia, erected at a cost of \$30,000, was presided over for two years by that able and eloquent young divine. Rev. A. N. Craft. He was transferred to | Titusville in the autumn of 1875, and there, as in Fredonia, his eloquent and fearless sermons are listened to by multitudes. All who have visted the camp ground on Chautauqua Lake have been impressed with the power speech. From over work and anxiety connected with his mission Mr. Craft is occasionally subject to billious attacks. Sensible in this as in all other matters, he does not hesitate to use for his relief, what his judgment and experience dictate. Neither is he willing to "hide his light under a bushel," but speaks out in this as in other matters, on the side of truth, in tones that cannot be misunderstood-though brief, yet to the point. Here is what he says:

Fredonia, N. Y., July 11, 1872. Dr. Fenner-Dear Sir-I have used your Blood and Liver Remedy and Nerve Tonic and find it the best remedy for a deranged state of the liver and bowels of any that I have ever used, A. N. CRAFT. Pastor of the M. E. Church, Fredonia, N. Y. For sale by dealers in medicine,

This is the best and most complete Map of this important section of by writing to John Kirkpatrick, Cambridge, country, yet issued. It has been prepared with great care and with a view to minute accuracy, giving the location not only of all the cities and towns, but also of almost all the villages, railroads and highways are distinctly shown, while many, even, of the less important roads are also indicated. The lakes, lagoons, swamps, and marshes of this region which will prove of great importance in the military movements, are given, and the Map is also very accurate and reliable in regard to all water-courses, as well as to mountains, hills, etc.

This Map is in fact, so faithful as to detail that it might be safely used by officers in the field. It will, therefore be of great value to all who desire to trace the movements of the opposing forces understandingly and minutely. These remarks apply, also, to the following Map, viz:

Schedler's Topographical Map of Western Bulgaria, Western Roumania and Eastern Servia.-Colored, Scale, 1:600,000. Size 23x24 inches. Price, folded and in cover, \$0.40.
