RIDGWAY, PA., MAY 9, 1878.

General Jail Delivery.

George Smith, the Wilcox burglar Charles Coffee, the Centreville rioter; and Dave Donaley, the man who was sent to jail for stealing a blanket from Jacob Butterfuss, and whose term expired week ago Monday, all took a trip over the jail wall, on the west side, and are now as free as birds of the air. Saturday evening last, at eight o'clock, the three aforementioned worthies were supposed to be safe and sound in our securely arranged county jail. At a later hour they were gone. They made a grapling hook of stove pokers and rungs from their iron bedstead; these irons were bent in the form of a hook at one end, and the bundle secured at the other end with wire. The bed clothes were torn into shreds, and made into a rope. This rope was fastened into the wire end of the grapling hook, or anchor, and at the right time was thrown over the jail yard wall, when the anchor caught on the coping, and by this means the exit was accomplished. When on top the wall the hook was secured on the Inside, the rope lowered on the outside, and good-by John. The day of his escape was the first time Smith had been allowed to leave his cell since his attempted escape on March 9th, and was only out at this time on account of the jail being whitewashed, and it was therefore, necessary that his cell door should be pen. The door that opens into the jail yard had not been unlocked for a week, and was secured. besides the regular lock, with a patent pad-lock, which is considered to be burglar proof. The keys were all found in their accustemed place, by the jailor, H. H. Wensel, on his return from down town at about 9 o'clock. How the door came to be unlocked is a mystery that will probably not be solved until one of the prisoners is caught. In the meantime would it not be a good idea to give the jail wall a coat of whitewash, for that might help to keep the boys in.

### Election of County Superintendent.

The Elk County School Directors assembled according to law, on Tuesday last, to elect a County Superintendendent for the ensuing three years, and to fix his salary. Forty-one, of the sixty-six directors, in the county, were present.

The meeting was organized by the election of Thos. Irwin, of Spring for the drillers Creek, Chairman, and E. J. Miller, of Ridgway, Secretary.

Geo. R. Dixon, present incumbent, was the only candidate before the convention, and was unanimously reelected.

On the question of salary, J. L. Brown, Esq., of Wilcox, read the new law in relation to the salary of County Superintendents, and which gives the Elk County Superintendent only \$800 from the State fund. He also stated that any greater amount the directors Agreed to:

Elk County Sabbath School Association.

The Second Annual Session of the Elk County Sabbath School Association will be held in the M. E. Church at Ridgway, on Wednesday, Thursday, and Friday, May 22nd, 23rd, and 24th, 1878. Commencing Wednesday, at 2,30 P. M., and closing on Friday at

This association perfected its organization at Wilcox, in May, 1877, when there was a fair representation of Elk County Sabbath Schools, excepting those in the southeastern portion of the county. We hope to have every school in the county represented this year by good efficient delegates. "In union there is strength," and the object of this association is to unite all of our Sabbath Schools in this society, that each may be strengthened by the union.

We cordially invite every Sunday School worker in the county to be present during the whole session, if possible, no matter whether in the capacity of a regularly elected delegate, or in your own individual ca-

pacity, we say come! Entertainment will be provided free for all, from abroad, who will favor us with their presence and assistance, providing they notify the President that such entertainment is desired Good music will be furnished for the occasion, and our sessions will be enlivened by the presence and assistance of Rev. Crittenden, of Bellefonte, and several other good speakers and work ers, from various parts of our county, who have promised to be present.

By some mistake of the Secretary this convention was announced, in one of our county papers, to take place in April last, but this was simply a been done by it.

W. H. OSTERHOUT, Pres't-Wilcox Notes.

Wilcox, Pa., May 7th, 1878.

-Warm showers. -Fine time for grangers. -Fruit trees in full bloom.

-Dick Ernhout laid an egg last week, and is now setting. Will give result of his labors in future.

-Say, Parsons, when you boast of Ridgway having the best conducted graded school in the State, you should say excepting Wilcox.

-Nothing new of importance at the wells. Still fishing at Ernhout & Taylor's No. 1. No. 2 is down about eighteen hun. dred feet; expect to strike the juglar this week. The Bevier well is down about thirteen hundred feet. Silver Creek eight or nine hundred. Wilcox, Schultz, & Brown, near town, have the derrick up and waiting

-Barbour, of the M'Kean County Miner, locates Ernhout & Taylor's well No. 1 in M'Kean County. Now, Barbour, it is hardly fair to appropriate other people's oil wells when you have a five barrel bailer in your own town. By the way, how does that oil tank do now? It's large enough

-During the past week examinations have been held at our schools, under the charge of Prof. W. H. Prideaux. We have attended most of them and must say we were highly gratified. The examinamight allow would be paid from the tions were thorough and exhaustive, and school fund of the county. He then certainly reflect credit upon our corps of been earnest and energetic in their work. Out of about a thousand questions, in the different branches taught, but six failures were recorded. Nor was it, as is so often the case, a prepared examination, as all the questions were written on slips and handed promiscuously to the pupils after coming to the class. We might enumerate a number of pupil and classes who excelled, but do not think it would be judicious, and would simply say that the affair was throughout a complete success. The order and system which characterized the meeting was good, and deserving of mention. At the close the Professor made a few appropriate remarks, urging upon patrons their duty in regard to visiting the schools, by way of encouragement to teachers and pupils, and to satisfy themselves that their children were entrusted to faithful teachers. He rather censured us for being derelict in that respect. The reply of a member of the board was, we employ teachers in whom we have confidence, and expect them to do do their work new styles of corsets. Her prices are in their own way, which really seemed to be as systematic and thorough as any one could expect or wish. In conclusion we would say, and feel confident we express the sentiment of the community, that our teachers are giving perfect satisfaction in every respect.

-The Rev. Mr. Wilson commenced his pastorate of the Dutch Reformed Church on Sunday last. He starts off well and gave wic, delegate from Elk county to the us an excellent sermon both morning and PETE.

A Card. MR. EDITOR:-It might seem to the closer reader that I had falsely assured Dr. Stræssley (Elk Democrat this week), that the salary bill of Co. Sup'ts had been defeated, and hence, as heretofore, the salary was paid out of State Louis Brendle's show case, &c., would funds. The bill in question was demake half a column, and we are too feated on final passage, March 28th. and soon after this, or in fact before the bill was reconsidered (and who knew or even thought it would be reconsidered), I told him it had been defeated. If any man will show me where I have in this election concealed the truth, told a falsehood, or acted unfair, I will refuse the office.
