The Water-Mill.

Listen to the water-mill all the livelong day, How the creaking of the wheels wears the hours away! Languidly the water glides useless on and still, Never coming back again to the water-mill; And a proverb haunts my mind as the spell is east, "The mill will never grind with the water that has passed."

Take the lesson to yourself, loving heart and true,
Golden years are passing by—youth is passing, too—
Try to make the most of life, lose no honest way;
All that you can call your own lies in this—
to-day.
Power, intellect and strength may not, can
not last.
The mill will never grind with the water that
has passed.

Oh! the wasted hours of life that have fitted Oh! the good we might have done—lost, without a sigh.

Love, that we might once have saved with but a single word.

Thoughts conceived but never penned—perishing unheard.

Take the leson to your heart, take, Oh! hold preset The mill will never grind with the water that has passed.

—The late General McCallum.

1879.

OUR PLAN.

Believing that every family in Elk county should have a county paper, and also believing it to be to the best interest of the publisher and subscriber that the pay should be in advance, we make the following unparalled offer: Every subscriber to The Advocate in Elk county who pays \$1.50 will receive The Advocate for one year and a ticket which will entitle him to a chance in the prizes which we offer. Six hundred tickets will be issued, and the drawing will take place as soon as the tickets are taken up, which we think can be done in about sixty days. All old subscribers will be put on the same focting with the new ones; that is, the paper will be sent one year and the ticket given to all persons sending us \$1.50. Further, to any person sending us \$30.00, we will furnish twenty papers for one year and twelly tickets, besides an extra copy and extra ticket to the getter up of the club.
