Manhood: How Lost, How Restored!

Just published a new edition of Dr. Culver-well's Celebrated Essay on the radical cure (without medicine) of Spermatorrhoea or Seminal Weakness, Involuntary Seminal Losses Impotency, also, consumption, Epil-epsy and Fits, induced by self-indul-

ence or sexual extravagance, &c. The celebrated author, in this admirable Essay, clearly demonstrates from a thirty years' successful practice that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately, and radically.
