Sir ct economists will be satisfied with our SILVER'S G.IS-CONSUMING PARLOR STOVES. Many of the so-called gas-burning stoves introduce cold air to the top of the fire, the effect of which is to cool the stove and waste the fuel, precisely as if a stove door was pened above the fire. In a true gas-burning stove, the sir should be heated, in a hot-air chamber, to a temperature sufficient to ignite the gases, on the same principle as is adopted to our gas-burning coloring stoves. In adultion to the above, a large assortment of Parlor Cooking Stoves, Parlor Stoves, for coal or wood, Hall Stoves, Fortable Heaters, Gooking Stoves of every description, Gas Ovens, Stove Fixtures, and Repairs may be found, in every veriety, at our Warerooms, No. 209 Nor.h SECOND Street, above Race

SOMETHING NEW.—GAS BURNING COOK STOVE.—I would respectfully call the attention of the public to one of the greatest improvements ever introduced in Cooking Stoves and Runges—the burning of the gas arising from the coal, by which means is saved 50 per cent. In fuel and also more intense heat thrown to the bottom of the over. We effect the burning of the gasses by means of a hollow centre-piece, perforated on the under side, which admits the air in a heated state to mingle with the gases, thus aiding its combustion, and causing a flame to pass around the oven equal to a wood fire. This improvement also preserves the centre piece from sinking down on the fire, thereby saving the experse of repairs. One of the Stoves CAN SEBEN IN OPERATION 1116 MARKET Street

WHOLE SYSTEM.
The Imperial Depurative, prepared by Dr. Louns
berry & Co., is now acknowledged as the principal
Family Medicins for the cure of CANORROVS affections
and Scroyulous diseases generally. The success which
attends its use in these invetorate diseases has no equal.
It is now used in these diseases with complete success,
where all other means have failed. Two or three botties will satisfy any one of its great curative properties.
Into Disease and White Swelling, Ulcerarions of
the Bones, Mouth, Theoat, &c. Its beneficial and
healing characteristics are soon observed in these complaints. No matter of how long standing they may have
been, they will yield to the proper use of the IMPERIAL DEPURATIVE in a short time.

TETERR and SOALD HEAD will as certainly yield to
this medicine as it is used. Diseases of the Skin and
all eruptive complaints generally cannot long remain
after using a few bottles of the Imperial Depurative.

Its Tonic properties, as well as Alterative, render it
valuable to weak and delicate females.

The great purity, strength, and value of this Family
Medicine is unequalled in the cure of all diseases originating in an impure condition of the blood. It explis
all the virus or diseased matter from the blood and reinvigorates the system.

Those using the Imperial Depurative and wishing advice in their case, will receive every attention by etter
