Mr. E. W. TROXELL—Dear Sir.—I have been troubled with the "NEURALGIA" for the last 14 years, and have suffered the most exeruciating pan, compelling me at times to give up my business entirely. I could not eat, and sleep was a stranger to my eyes. I suffered more than tongues can tell. I had the advice and aid of various physicians, and used other remedies, but all of no avail. Having noticed your advertisement in the papers, I colicituded to call on a person whom I had learned was cured of a case of 20 years standing. He applied the "SALVE" but once, and I felt immediate relief—a second application removed the pair stirley, and I now feel like, a differing the control of the part of the pair stirley, being obliged to at up all night in a chair. My appetic has returned, and I feel grateful to you for the restoration of my health.
