GENERAL OFFER. No. 1.

The Governor has learned with deep mortification that one lieutenant and a number of the privates and non-commissioned officers of the Second Regiment of Infantry, Pennsylvania Reserve Corps, on being called on, in accordance with their caths, to enter the service of the United States, have refused to do so.

He therefore hereby dismisses them from the service of the State, and directs their names to be published, that Pennsylvania may know her dereliet sons, and may not again be defrauded by those who, after partaking her bounty, in the moment of peril desert her.

All mustering officers are directed to prevent their recollistment in any of the gallant and loyal regiments now forming for the defence of our country. We do not need their services, nor will we fisk our cause in their hands. By order of Anonew G. Crettis, Governor and Commander in Chief.
