The United States Christian Commission has selzed the present golden opportunity of rest for the Army to extend its work for the good of the Soldiers.

STATIONS nave been multiplied, each with its chapel and store tents, free writing tables, and clothing, comforts and reading matter for gratuitous distribution.

VOLUNTARY DELEGATES, in numbers greater than ever before, have been sent to preach the Gospel at the estations and in regiments, batteries, and camps without Chaplains, distribute reading matter and stores, and labor for the good of the Soldiers.

A PERMANENT FIELD AGENCY has been sufficiently exterded to establish stations and superintend the work.
