Sale positive. By order of
Capt. A. S. ASIMEAD,
oc3-2t Chief Quartermaster Dist. of Pa. TO PHYSICIANS. STORE, NO. 618 CALLOWHILL Street, FOR SALE, by J. H. MORRIS, Conveyucer. 233 North TENTH Street. 004-61* Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHT. The component parts are BUCHT, Long Leke, CUBERS, JUNIFER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo; Juniper Berries, by distillation, to form a fine gin; Cubebs extracted by displacemently liquor obtained from Juniper Berries, containing very little sugar, a small proportion of spirit, and more palatable than any now in use. The active properties are by this mode extracted.

Buchu, as prepared by Druggists generally, is of a dark color, it is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of the ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermention; upon inspection, it will be found not to be a Thicture, as made in Pharmacopeas, nor is it a Syrup—and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that GEORGE FRYER, Invite attention to their extensive and varied as BUSINESS COLLEGE, 916 Chestnut Street FOR SALE-DWELLING 1625 Will open his FALL importation of HANDEL AND HAYDN HALL, K. & F.
