They asked the distance to San Diego, and on being told it was 240 bitterly. Although nearly out of provisions, and having only a few unimals in wretched condition, they had stuck to their carriage and wagon with a foolish and almost fatal tenacity. When they had grown calm, Mr. H. shared his small supply of provisions with them, gave them the advice to abandon the carriage and wagon, to pack their food and children upon the animals, and make for Sau Diego with all possible speed. He told them by adopting this plan, and by making food of the poorest of their mules as they gave out on the way, from time to time, they might get through; otherwise, they could in all Arragon, perhaps in all Spain. not reasonably expect to do so.

Sunbary, July 28, 1940.-Brown's Essence of Jamaica Gin-ECT. Prepared only by Frederick Brown, at his Deng and Chemical Store, North East

Corner of Fifth and Chestnut streets, Philadelphia. THE Essence is a preparation of unusual ex-cellence and of varied properties. In all cases where a powerful and safe stimulant is required, t is unrivalled for efficacy as well as immediate action. To the traveller and to the family circle it is invaluable, as a few drops diluted in sugar and water present a safe and agreeable remedy to the avalid who requires immediate relief, as well as o the convalencing patient who needs a gentle mic. In a Southern climate, where the relaxation of the system so generally induces thirst for timulants, it will always be found an excellent ubstitute for those tempting beverages which deulitate the stemach and cause a morbia condition of its powers. In dysperois, it relaxation of the bowels, in naussea and -a-sickness, it is an active and safe as very as a pleasant and refreshing remedy, and is prescribed by the most eminent of

ne modical faculty.
