MR. EDITOR :- Your paper being devoted to the advocacy of sound morals as well as politics, I have expected before this to see some notice in it of the action taken by the legislature of Illinois on the subject of Temperance. But presuming that it has escaped your eye in the selection of news for the pub" lie, I take pleasure in furnishing the main story very satisfactorily confirmed, with the principles of the bill as it passed in that body :

1. It repeals all present License laws. 2. Prohibits the sale of intoxicating drinks in less quantity than one quart, under a pen- ing Sir John Franklin's party, I leave you alty of 825

3. If sold to minors increases the ine to the case in all its bearings, to judge. Whefrom \$30 to \$100.

4. Provides for a penalty of not less than Sir John's company, little hopes can now be \$25, nor \$100, for selling more than a quart, entertained of finding them alive, as their proand permitting the same to be drunk on the visions must have been expended one year, premises of the seller,

5. Giving away liquor, to come within the provision of the law.

While we regard this action as a great adwance in the public sentiment of that state on this subject, and as indicative of a spirit blinds would be in great demand. which should fill all of our legislative bodies ; we must still consider the bill faulty in several particulars, though admirable in others -----Juice ! CANTHARADAL COLLODION OR BLIS-TERING LIQUID.

A convenient preparation of cantharides in many cases where there is a difficulty of applying the ordinary blistering plaster. A coating of it applied with a camel's hair brush and covered with oil silk or some similar substange, will produce a blister in three hours' time ; or when expessed, in the usual time of about twelve hours.

Physicians and others may depend upon the faithful and prompt execution of their orders at as low rates as the best quality of medicines can be purchased.
