VAYER'S CHERRY PECTORAL: For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, GROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of the success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College. Dear Sir:—I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases both of adults and children. I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEAVELAND, M. D. BRUSWICK, Me., Feb. 5, 1847.

From an Overseer in the Hamilton Mills, in this City. LOWELL, Aug. 10, 1849.

Dr. J. C. Ayer:—I have been cured by the worst cough I ever had in my life, by your "Cherry Pectoral," and never feel, when I have opportunity, of recommending it to others. Yours, respectfully, S. D. EMERSON.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effect of the medicine was unambiguously distinct:—

U. S. HOTEL, SARATOGA SPRINGS, July 5, 1849.

Dr. J. C. Ayer:—Sir:—I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "CHERRY PECTORAL," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumner District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have pleasure in certifying these facts to you, and am, six yours, respectfully, J. P. CALHOUN, of S. C.

The following was one of the worst of cases, which the physicians and friends thought to be incurable consumption:—

CHESTER, Pa., Aug. 22, 1846.

J. C. Ayer:—Sir:—I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became emaciated and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly sinking, and in such distress for breath, that but little hope of my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Keller, of the Methodist Church,) brought me a bottle of your CHERRY PECTORAL, which I tried once to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude, yours, &c. JAMES GODFREY. Prepared and sold by JAMES C. AYER, Practical Chemist, Lowell, Mass. Sold in Sunbury by H. MASSER, and by Druggists generally throughout the State. November 1, 1851.—1yc3m.
