CRESCENT CITY TWO WEEKS LATER FROM

CALIFORNIA. \$2,500,000 IN GOLD.

New York, June 28. The steamship Crescent City arrived here his afternoon, from Aspinwall City, with 400 passengers and \$2,000,000 in go'd or freight, and \$500,000 in the hands of passesengers. She sailed from Aspinwall on the 19th, and brings San Francisco mails of the

The intelligence from the mining regions was of the most satisfactory character .-Large specimens of the ore continue to be dug up. A lump of solid gold, weighing virtu-nine ounces, had been found below the surface on Mr. Limberg's lot, in Sonora, on the main street, a few doors below the Post

A quartz vein of unusual richness had been discovered in the French gulch near

Great apprehension exist in Sonora, that he troubles between the French and Americans will produce feelings of irritation eninst the French miners, and that bad resalts will flow from them.

The Indians are still committing depredaions in Los Angelos county.

One hundred and forty citizens have united in a petition to Congress, claiming for the Catholic priests the right of holding a church at the mission of San Gabriel. It is the intention of Catholic Bishop of California to establish a seminary for the education of priests at the mission referred to, with the design of extending the missionary operations among the Indians of that region.

A band of maranders had been committing depredations on the San Jonquim, under the head of a man named Spencer. A pary had been sent out to capture him. The dates from Oregon are to the 8th of

A rich specimen of quartz rock had been blained from a ledge west of the sloop on he Cascade range near the Willamette river Dregon; and it is thought this range will produce the richest mines.

Intelligence from the Sandwich Islands had been received to the 6th of May. The lawaiian Legislature were engaged in disenssing the new Constitution. The article prohibiting clergymen from seats in the Legislature had been stricken out in both

The law passed by the California Legislaure, taxing the sales of merchandize at enction, had created great excitement, and a meeting of the merchants had been called at San Francisco to remonstrate against its where they can lay in a supply of foreign fruits

LATER PROS MEXICO.

Mejia and Micheiena. The Senate had voted an appropriation of

£30,000 for the construction of a road from Perote to Vera Cruz.

The Congress had adjourned without providing for the financial embarrassments of

Don Prioto, the liberal candidate, had been elected Governor of Tamanlipas, but Don Cardenas, the present incumbent, had ed for commenting on his proceedings. Cardenas, however, soon became frightened, and released the prisoners.

Mr. Remington, and several other Mexicans had been massagred on the Rio Grande by the Indians.

LUBRICATION OF MACHINERY .- The running of machinery is attended with immense expense for oil for purposes of lubrication The railways in New England alone consume annually nearly a million of dollars' worth of il. Add to this the annual expenses of oil by a report of a committee appointed by the evening. gents of the Lowell Mills. Mass, to test the clative merits of rosin and sperm oil, that on ngs, one-half less power is required with a disconnected manner. mixture of rosin with its bulk of pure sperm il, than with sperm alone, and that its subwith light bearings, requires more power when rosin and sperm oil is used than sperm

THE END OF THE WRONG DOER .- The entence of Brewer, the teller of the Soffolk Bank, Mass., is a warning to those who to grow rich suddenly by the use of funds enosted to their care Not content with a iberal salary, he indulged the hope of realzing a fortune by speculation, and felonously appropriated the funds of others, hop. ing to replace them at some future day -But fortone frowned upon him, his hopes were blasted, detection became inevitable, and he left his family and friends to embark for a foreign shore. He was overtaken in his flight from justice, and is now the tenant of a felon's cell. The guilty companion of Brewer is now a fogitive in a foreign land, enjoying, but for a season, the fruits of

his turpitude. AFTER Scott was nominated (says the Providence R L Post,) Gov. Johnson, of Pennsylvania, pledged himself to the Con-suffering out little. His countenance, to the Scott by a larger majority than she gave for full knowledge of his condition. He had Tayfor. This from the Whig ex-candidate long since made every preparation for death for Governor of the Keystone State, who was giving his son full instructions as to the disbeaten last fall by more than 10,000 majority against him, must have been extremely

Business Notices. EYHE & LANDELL .- Our readers, to many shom this firm is well known, will find their advertisement in our columns this week. They have always on hand a most extensive assortment of almost everything that can be asked for in the dry goods line. Their store is on the corner of 4th and Arch and is well worthy of a call from persons visiting the city.

FOREIGN FRUITS, &c .- It is sometimes very desirable for merchants and buyers to know nuts, &c., such as oranges, lemons, almonds, &c., to the best advantage. By referring to the advertisement of John Philips & Son, No. 47 South make it the interest of purchasors to patronise

HON. HENRY CLAY

Breathed his last at the National Hotel, Washington, at 11 o'clock and 17 minutes A. M. of Tuesday. He died calmly and without a fear. He has lived to see every enemy become a friend and looked from his death bed upon a country whose unity he had preserved. A devoted petrirefused to give up the office to him, and had ot, a distinguished statesman, a truly noble caused forty citizens of Matamoros, includ- man, his fame is world wide; the record ing the editor of the Genio, to be imprison- of his life is his country's history. The appreciation of his worth swells in the hearts of his countrymen, and his culogium is the theme of every tongue.

our bells tolled. The gloom upon every kers; should the makers not be responsible professions ! They may preach economy face evinced the universal sorrow at the loss of one of our best men.

HIS LAST MOMENTS.

Washington, June 12. Those attendant upon Mr. Clay yesterday afternoon, saw that a change had taken running machinery in cotton and woollen place, indicating a breaking up of his sysnills, taneries, saw mills, flouring mills, and tem. This was, in some degree, attributed thousand other occupations, and we have a to the excitement occasioned by the enthuvery considerable item of expense. We see siasm of the ratification meeting in the

> dered, and in a low and distinct voice, he named his wife, son, and other relatives, in

The Rev. Dr. Butler, offered his services to watch during the night, but it was deemstitution will effect an annual saving of 3-8 ed unnecessary. On his last interview with of the quantity of sperm oil required in the Dr. Butler, the dying man expressed entire Lowell Mills. Spinning machinery, or those patience, resignation and confidence in his Redeemer.

This morning he contined perfectly tranjuil, though exceedingly feeble, and many festing a disposition to slumber.

About half past ten o'clock, he asked for some cool water, which he was in the habit of taking through a silver tube. On moving the tube from his mouth, he seemed to have trate. more difficulty in swallowing than previonsly. He turned to his son and said, Dou't leave me." Soon after, he motioned to have the collar of his shirt opened, and then, adding, "I'm going soon," serenely breathed his last.

The exact time of the death of Mr. Clay was 17 minutes after 11 o'clock. He had been so low for the three previous days, as to be scarcely able to converse with his son, or the Rey. Dr. Butler.

No one was present at the time, except his son, Thomas Hart Clay, and Governor lones, of Tennessee. His last moments were calm and quiet, and he seemed in the full possession of all his faculties, apparently vention, that Pennsylvania should go for last, indicated a happy resignation, and a position of his body, and settlement of his wordly affairs.
