THE CLOCK IN THE CORNER.

BY H. DE COISSY

I thought in my school boy days, forsooth. That the clock was a living thing, That it had a tongue that would speak the To tell its tales upon traant youth, In the book hiding days of spring.

And I peeped with fear on its charactered To watch the spirit within,

That was roaning its round with ceaseless And beating the time with a miniature As if overjoyed at the din.

I marked its voice when the dear ones As it ticked to their latest breath,

And, when they passed to the bonine ut tried. It seemed to follow, with nameasured stride

Their spirits after death. How it rung and echoed my marriage chime, On that merriest summer morn,

When the skies were brighter than eastern clime, And hearts beat fast for the coming time

And the future yet unborn And when, 'mid storm and midnight wild. On the dark and mouning earth, There came to our love a fair-haired child-

Its monitor face beamed brightly, and smiled. To mark the moment of birth.

Thou art old, but I love thy very decay, As thou sittest an ancient mime, On thy wooden seat near the kitchen way, When, for many a year and many a day, They have come to ask thee "the time

Keep time, old horologe, till age Shall close thy master's eye; And when thou art left in the latest stage, To tremble alone, 'mid the elements' rage Oh, then run down-and die.

A STRING OF ITEMS.

THERE are over two hundred prisoners in the Illinois penitentiary.

THE rust has made its appearance among the barley crops of Marion co, Ky.

THERE are 900 children in a single workhouse in Limerick.

Seven Railroads will terminate at Buffalo before the expiration of 1853. Four terminate already at Rochester.

THERE were one hundred and twenty-nine deaths from cholera in New Orleans during the week ending the 12th inst.

CATTLE POWDER

JAUNDICE, DYSPEPSIA, CHRONIC OF NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, BREINIG, FRONEFIELD & CO No. 187 North Third Street, Philadelphia.

OF THE KIDNEYS,

A ND all discusses arising from a disordered liver of sto mach, such as constitution, inward Piles, Fullness, or blood to the head, Acidity of the Stomach, Nausea, Heartharn, disgusts for Food, follows or weight in the Stomach, sour Eractations, sinking or fluttering at the pit of the Stomach, awimming of the head, burried and difficult breathing. fluttering at the heart, choking or sufficiently accusations when in a lying posture, Diamesa of vision, dots or webs before the sight, Fever and dult pain in the head, deficiency of perspiration, vellowness of the skin and syes, pain in the side, back, chest, limbs, &c., sudden flushes of heat burning in the desh, constant imaginings of evil, and great depression of spirits.

CAN BE EFFECTUALLY CURED BY No. 187 North Third Street, Philadelphia.

THIS powder is entitled by the united testimony of all who have used it to the first rink of all those CATTLE MEDICINES, which have been thought praiseworthy for many years. Indeed we challenge any person to make a superior, or any powder that nexts in the same manner. If the naimal be perfectly healthy it will either increase the amount of milk or cream and botter; or the mainal will improve mpidly in fat. It will therefore in time be considered we have no doubt one of the staple articles of every Farmer, who keeps a diary; and of every person owning a house. It is not one of those kind or Mixtraws that inverly swell an animal up for a short time, but it will by the capacity which it has of converting HIPPURIC ACID (which is an effect matter) into Lactic acid or observed comes a greater amount of matritions matter to be extracted from the same amount of food, than possibly could be, were the active principles of natrition to pass out of the system in the form of Hipping Acid.

We have neceived a multime of evidence to prove what we have said above. Suffice to say:

We have neceived a multime of evidence to prove what we have said above. Suffice to say:

We have neceived as for the spectrum and to be necessary and the soft of wearrants plants and heris, which time and use lave proved to be useful, improving the appetite and promoting digestion of the food; thus securing a healthy condition of the blost, from which the Mixa and Far must be formed. It may be used for Houses, Cows and Hogs for the following complaints and disenses.

VELLOW WATER a decrease assertions.

CAN BE EFFECTUALLY CURED BY DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY DR.C. M. JACKSON,

AT THE GERMAN MEDICINE STORE, No. 120 Arch St., Philadelphia.

as the cures attest, in many cases after skillful physicians had fulled.

These Biffers are worthy they attention of invalids. Possessing great virtues in the recification of diseases of the Liver and lesser glands, exercising the most scatching powers in weakiness and affection of the digestive organs, they are, within, safe, certain and pleasant.

The Editor From the Honom Bee.]

The Editor Smil, Dec. 22M—

"Dr. Hooplands Crimbarated General Butters for the cure of Liver Complaint, Janualite, Dyspensia, Chronic or Nerrous Debility, is deservedly one of the most popular medicines of the day. These Bifters have been used by thousands, and a friend at our elle we says he has him self received in effectual and permanent care of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bifters, the patient constantly games strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with asfety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

"Scort's Weekly," one of the best Literary popular publishes actived." YELLOW WATER, a dangerous sickness, which de-stroys many valuable houses every year, is very often entirely cursed by the free use of this powder, in all cases it will prevent the disease from coming on. This disease is owning to a bad and impoverished state of the blood which becomes thin, watery and of all yellow edge. olor.
This powder by improving the stomach and giving to This powder by improving the stomach and giving to the blood a greater quantity of red particles, allords the best and only possible chance of rescovery. If the barse is far gone, give morning and night a tablespoonful in wet feed, it in the beginning once a day at moon, if only to prevent the discense twice a week.

SLABBERING—This is the constitution of many valuable Horacs by exhibition; by a constant discharge of salivation between the constitution of the produced by the according to the produced by the according to the particle ground. A Tablespoonful three times a week will frequently arrest the flow, if it does not depend on the Toxacco in the grass, under such circumstances the animal must be kept in the stable.

DISTEMPER—If the provider is early and freely used, no other remedy need he used, it has atready cared hundreds of Honess of this troublesome disease to the surprise of these who used it. If not used carry, before matter has formed in the neck it cannot restore the animal perfectly

"Scott's Werkly," one of the best Literary papers published, said, Aug. 25 published, said, Aug. 25—
"Dn. Hooglann's German Betters, mounfactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all methers to obtain a bettle, and thus save thomselves much sickness. Persons of delalitated constitutions will find these Butters advantageous to their health, as one know for the property of the constitutions. of these who used it. It not used early, before matter instrumed in the neek it cannot restore the animal perfectly until the matter is discharged, use it early and prevent such a result. A Tablespoonful once or twice a day is enough.

GLANDERS.—This discuss has haffed all FARRIERS. their health, as we know from experience the salutar effect they have upon week systems."

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says

Dr Hoofland's German Bitters.

Olt is schlom that we recommend what are termed Patent Medicines, to the combined and patronage of our renders; and, therefore, ben we recommend Dr. Hoofland's German Bitters, we wis it to be distinctly under stood that we are not speaking of the destrome of the day, that are noised about for a brief period and then forgotten after they leaved one their guilty mee of muchicf, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three tyears, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrains combined, a fact that can easily be established, and fully proving that a scientific preparation will mest with their quiet approval when presented even in this form.

That this medicine will cave Liver Complaint and Dyspessin, no one can doubt, after using it as directed. It nots specifically upon the storaged and force is immediate. They can be administered to Female or Infant with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS. Dr Hoofland's German Bitters. any remains of Pounder or stiffness of motion, and the Horse will not fatten, or where the hair is rough and stands straight out, the food seeming to do no good, the Poweter postness almost immediate improvement of the numeri, the digestion improves and with it all the stoggishness of the animal douppears, becoming lively and spirited, and the hair smooth and slick. COWS.

For Milking Cows, we are fully convinced that it not For Milking Cows, we are fally convinced that it not only improves the quality, but that it increases the amount of Milk, Cream and Butter; some who have tried the experiment say a Pound a Week, others say half a pound while one person insisted upon it that he made two pounds more a week from "h Cows. We think it will be found to average from a h "to a pound per week on each Cow, if the Cows are perter by healthy. This additional amount is made by the conversion of the Hippuric Acid into Nitrogenous and fatty compounds; also by supplying the oxygen taken in by the lungs, with the elements of reaction; without taking any of the Nitrogenous portion of the feed, HOLLOW HORN or WOLF; HOOF DISEASE, and all other diseases of nent cattle depending upon a bad
