district as a gentleman in every way worthy of their support, as the next candidate for Congress. Judge Welker is well known to all of us,

as a firm, tried and unwavering democrathimself one of the people, familiar with the views and interests of the farmer, laboror mechanic and all the other classes of the community, and ever anxious and ready to do all in his power to promote their welfare.

The Judge is no office seeker, but the people want his services in Congress and have almost unanimously urged him to accept the nomination. The delegates from this part of the county will all be in his favor, and if the other townships will but do their duty to the country and themselves the Hon. G. C. Welker will be the unanimous nominee of the county.

MANY DEMOCRATS of Upper Mahanoy and Jackson townships. July 10, 1852.

For the American OUR NEXT LEGISLATOR.

Ma. EDITOR :- As the time is approaching for the people to select a candidate for Legist lature of this county, we would beg leave to present before them, the name of JOHN FARNSWORTH Esq., of Upper Augusta township.

Mr. Farnsworth is a man of intelligence, of unimpeachable integrity, and of fixed prin- as such. There are also on the lot two frame ciples. He is such a man as we would have represent our county. For a number of years he has been Prothonotary of this county, and has (we believe) given entire satisfaction to all. For Legislature we want a man of sound reason, discrimination, and firmness' Such a man is Mr. Farnsworth, and in all the requisites for that office, we confidentially assort that he is competent to perform the duties incumbent upon said office.

He has always been a sound, unwavering and consistent democrat, and if nominated Northumberland county would (we think) show her appreciation of him by giving him the largest majority we have rolled up for any man for years. UPPER AUGUSTA.
