A few powerful reasons why the above Medicines are described of microsed nationage. In the first place.

A few powerful reasons why the above Medicines are deserving if universal patronage. (In the first place, they are prepared by a regular Physician, who understands the application of Medicines, in diseases, and consequently are perfectly safe to take. (Secondly.) they have been used with universal success, and have given more satisfaction than any other Medicines offered before the public—(Thirdly.) they are the only medicines that have gained the patronage of Physicians, where they have been used; and (Fourthly.) they are put up in larger quantities for the same price, than any other Medicines offered to the public of the same kind. As the subscriber has a number of certificates in his possession of the highest nathority, where they have been used with the most satisfactory results.—He will publish a few of them, feeling satisfied that a trial will insure their recommendation. Try them and satisfy yourself of their superiority over all others.
