YOUNG GRIMES.

Old Grimes is dead, that good old man, We ne'er shall see him more; But he has left a son, who bears The name that old Grimes bore.

He wears a coat of latest cut, His hat is new and gay; He cannot bear to view distress, So turnes from it away.

His pants are gaiters, fitting snug O'er patent-leather shoes; His bair is by a barber curled: He smokes cigars, and chews.

A chain of massive gold is borne Above his flashy vest; His clothes are better every day, Than were old Grimes' best.

In Fashion's court he constant walks, Where he delight doth shed; His hands are white and very soft, But softer is his head.

He's six feet tall, no post more straight, His teeth are pearly white; In habits he is sometimes loose, And sometimes very tight. His manners are of sweetest grace,

His voice of softest tone; His diamond pin's the very one That old Grimes used to own. A dickey tall adorns his face,

His neck a scarf of blue; He sometimes goes to church, for change, And sleeps in Grimes' pew. He sports the fastest "crab" in town.

Is always quick to bet; He never knows who's President, But thinks "Old Tip's" in yet.

He has drunk wines of every kind, And liquors cold and hot; Young Grimes, in short, is just that sort Of a man Old Grimes was not.

CONGRESSIONAL PERQUISITES AND PICKINGS. -Mr. Richard H. Stanton, a member of the last Congress, from the State of Kentucky, is up again for a re-election; but some of the political brethren, not exactly liking it, have turned State's evidence against him. Among these is Samuel Pike, who has been publishing some choice extracts from Mr. Stanton's letters from Washington to the said Pike,

one of which is as follows: olf I could stay here a month I could make \$5000. As it is, I fear I shall have to harry off without even completing the business I came on. I saw men in New York, Philadelphia, and here, who want my services, and are willing to pay for them, and pay for them well. If I can but be re-elected I can make a great deal of money. But this is

CP \$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every persu will do all in their power, to save the lives of their children, and that their power, to save the lives of their children, and that every person will endeavor to promote their own health at every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most ocleorated Physicians, are the primary causes of a large majority of diseases to which children and adults are linded; if you have an appetite continually changeable from one kind of food to another. Bad Breuth, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Paise Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP. An article founded upon Scientific Principles, compounded with parely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrheen have made them weak and debilitated the Tonic properties of my Worm Syrap are such, that it stands without an equal in the estalogue of medicines, in g ving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dysepsin, the astonishing cures performed by this Syrap after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infeat the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so analy as to cause St. Vitus Dance, Flis, &c., that those afflicted selform if ever suspect that it is Tape Worm histening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Flils sous to remove all obstructions, that the Worm Syrup may set direct upon the Worm, which must be taken in done of 2 Tablespoonfulls 3 times a day these directions followed have never been known to fall in curing the most obstinute case of Tape Worm.

HOBENSACK'S LIVER PILLS. No part of the system is more liable to disease than the LIVER, it serving as a filterer to purely the blood, or giving the proper secretion to the bile; so that my wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jamelice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pilts being composed of ROOTS & PLANTS furnished by nature to heal the sick: Namely, 1st, An EXPECTORANT, which augments the secretion from the Palmonary mucas membrane, or promotes the discharge immary muchs membrane, or promotes the discharge secreted matter. 2nd, An ALTERATIVE, which of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insemilie manner the certain m shid action of the system. 3rd, A TONIC which gives tone and strength to the nervous system, resewing health and vigor to all parts of the body. 4th A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Howels, and expelling the whole mass of estroyt and vitiated matter, and parifying the Blood, which destroys disease and restores health.

TO FEMALES. TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are salged. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a beal thy action, parifying the blood and other fluids so effects ally to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness or sight, pain in the side, back, &c.
