MARRIAGE.-The first law of nature is marriage, and yet man is the only creature that res sts it. Whoever saw an old bachefor robin, or a female blue-bird with thoughts of dying an old maid? No one. Every created thing becomes a parent, and this is just what the Lord intended they should become. People who sleep on single bedsteads as much war against the Commandments as if they lived on the products of murder. -Pause and reflect.

Go to Chuncu.- It is a duty of parents to sea that their children attend the public worship of Almighty God on the Sabbath. Nothing acts more unfavorably on the moral habits and character of an individual, than habitual abstinence from the House of God .-We do not act the part of good parents while we leave our families unprovided in this respect. No neighborhood or community can long have a healthy state of morals unless it has an altar erected to the worship of the Ruler of the Universe

A good anecdote is related of John Price Wetherill, the popular merchant, who lately died in Philadelphia, leaving an estate of nearly \$1,000,000. On one occasion two city-bucks drove out to his country seat to visit his daughter. Seeing Mr. Wetherill at the gate, dressed very shabbily, they mistock him for a servant, and ordered him to open the gate. "Of course," said he, "I will do that," and suiting the action to the word, he opened the gate, and the young dandles drove in, throwing him a quarter as they passed. He quickly picked up the quarter and pockoted it, and a short time afterwards appeared in the parlor, and was introduced to the young men, by the daughter, as her father! The readers can imagine how they felt.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most oelebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are limble; if you have an appetite continually changeable from one kind of food to another, Bad Brenth, Paln in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Crugh, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Dinrhors have made them week and debilitated the Tonie properties of my Worm Syrup are such, that it stands without an equal in the estalogue of medicines, in giving time and strength to the Stemach, which makes it am Infallible remedy for those afflicted with Dysecpain, the automaking cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the horms system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Pits, &c., that those afflicted schlom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so not tremove all obstructions, that the Worm Syrap may not direct upon the Worm, which must be taken in diseas of 2 Tablemps offulls 3 times a day these directions foll aved have never been kn. was to fall in curing the most obstinate case of Tape Worm. THE TAPE WORM!

HOBENSACK'S LIVER PILLS. No part of the system is more liable to discuss than the LIVER, it serving as a filterer to purity the blood, or giving the proper secretion to the ble; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Janudice, Dyspepsia, &c. We should, therefore, which every symptoun that might indicate a wrong action of the Liver.
