THE AMERICAN.
SUNBURY.
SATURDAY, OCTOBER 15, 1853.
H. B. MASSER, Editor and Proprietor.

TO ADVERTISERS.—The circulation of the Sunbury American among the different towns on the Northumberland and Shamokin is not exceeded frequently by any paper published in North or Pennsylvania.

EDITORIAL TABLE.
Business Notices.

NEW CLOCK & WATCHMAKERS.—We call the attention of our readers to the advertisement of Messrs. Hirsch & Co., who have opened a handsome stock of goods, as will be seen by their advertisement.

LITERARY CONTAINS.—The last number of this periodical comes to us well filled and handsomely illustrated. Published at Harrisburg, at \$1 per annum.

EPISCOPAL SERVICE.
Service will be held, by Divine Permission in St. Matthew's Church, tomorrow (Sunday) evening at 7 o'clock.

Several articles for this week's paper have been necessarily crowded out.

A correspondent who writes to us over the signature of "Jackson," has not complied with our rule by giving us his name.

Who struck Billy Patterson? is no longer the question, but who struck our neighbor of the Gazette—somebody surely has hit him. He roars worse than any sucking dove.

Non-Resistant Obedience, is so bad a strain, Roused for the masterchief that could his pain. Our neighbor's case must be attended to.

The election Tuesday last, passed off without much excitement, excepting a small fight got up in the afternoon, which, however, was nipped off in its commencement, by the prompt action of Sheriff Kipp, aided by Constable Bucher, taking one of the belligerents to Jail, and locking him behind the grating for a few hours. The day was fine, so much so, that no doubt many in the rural districts were tempted to stay at home.

The County Agricultural Fair will be held at Milton on Tuesday and Wednesday, the 18th and 19th inst. The people in that neighborhood take great interest in these matters, and the exhibition will no doubt be a creditable one. The address on the occasion will be delivered by David Taggart, Esq., of Northumberland, a gentleman who takes a deep interest in these matters, and who is well qualified for the post assigned him.

ELECTION NEWS.
The returns from this county show any thing but harmony of action or fair dealing, even among those who profess to entertain similar views in regard to the candidates. An open opposition, though it may not be deemed politic, or even proper, by strict partisans, is, nevertheless, not dishonorable. We are among those who claim the largest liberty in regard to politics, but we have always looked with contempt upon acts of treachery and hypocrisy. We may be more explicit on this subject in our next.

For Assembly, David B. Montgomery of this county is elected by a majority of 303. Wire working and intrigue did its utmost in regard to Treasurer and District Attorney. Bucher the democratic candidate was elected Treasurer by a small majority of 162 votes. He and Rockefeller, the candidate for District Attorney, were regularly traded off for the benefit of Mr. Sharp, the whig candidate for District Attorney and others. Sharp, whig, is elected by a majority of 258. Mr. Snyder, the democratic candidate for Commissioner is elected by 329 votes, over Sharpless, the whig and anti-subscription candidate. Mr. Hoover was elected Auditor, and Mr. Young District Surveyor, the last without opposition. The whole democratic state ticket is elected, without doubt, by a large majority.

In Philadelphia, Eli K. Price, whig, consolidation Senator was elected. Assembly, W. C. Patterson democrat and consolidation, Geo. H. Hart whig and consolidation, H. K. Strong, and W. R. Morris, whigs. W. B. Rowd whig, District Attorney. J. K. Murphy, democrat, was elected Marshal of Police. John M. Colman, whig, for County Treasurer. In the County, for S-nate, John W. Stokes, whig and Maine liquor law. For Assembly the democratic liquor law candidates were elected.

C. H. Bucklew of Columbia, is elected to the Senate by a large majority.

In Union county the division and anti-division candidates for Assembly are so close that the result is not yet known.

SHAMOKIN FURNACE.—We stated last week, that this furnace had been sold to Wm. Atkins, of Philadelphia, for \$39,000. The intention of the purchaser is to put the works into operation as soon as possible. E. Y. Bright is making the necessary castings for the purpose at his Foundry and machine shop in this place. Iron commands too high a price, to leave iron works idle for any length of time.

WEST CHESTER FEMALE SEMINARY.
The Winter Session will open on the first Tuesday of November. For Circulars apply to the Principals, Miss P. C. EVANS & SISTERS, West Chester, Pa. The terms are moderate; the course of instruction embraces all the branches of a thorough English and Classical education. The School Edifices are commodious and expressly adapted for a School, with every convenience essential for the health and comfort of the pupils. Refer to Rev. Dr. Bull, Rev. Mr. Balsh, Drs. Darlington, Worthington, Rivison and Bradford; Hon. Wm. Everhart, Hon. T. S. Bell, Judge Haines, and Henry S. Evans, Esq., West Chester, and H. B. Masser, Esq., Sunbury. The West Chester Village Record says that no seminary in the country is more worthy of the confidence of parents who look to the mental improvement, good manners and morals of their children, than the above.

The new locomotive, the "Lancaster," placed on the Philadelphia and Sunbury rail road this week, proves to be a most excellent engine. She was built by Richard Norris & Son, Philadelphia, and makes two trips daily with a train of about 40 coal cars, containing something short of two hundred tons of coal on each train.—When the cars, which are all new, are somewhat worn, this engine will be able to draw a train of one hundred cars from Shamokin to this place.

CALIFORNIA NEWS.
ARRIVAL OF THE STAR OF THE WEST.
LATER FROM CALIFORNIA.
NEW YORK, Oct. 9.—The steamship Star of the West, from San Juan, with California dates to the 11th ult., arrived this afternoon. The Star of the West brings 500 passengers, and \$800,000 in gold, on freight, besides five hundred thousand dollars in the hands of her passengers.

The majority by which Governor Bigler was re-elected, was only about one thousand, while the remainder of the Democratic ticket has majorities ranging from four to ten thousand.

Mr. Garrison, the Democratic Candidate for Mayor of San Francisco, was elected with the whole Democratic city and county ticket. Both branches of the Legislature are also largely Democratic.

The people of San Francisco have adopted the Revised Charter.

Governor Lane, of Oregon, and Lieut. Alden, of the Army, have both been wounded in an engagement with the Indians on Rogue River, the latter severely.

Dr. G. W. Duval, formerly of Maryland, had been shot dead in a street fight with J. S. Downs, at Sacramento.

Dr. H. C. Gillis was also seriously wounded in a fracas with Charles R. Drew, at San Francisco.

John Potter, alias Baltimore Jack, was recently killed at Downsville by a man named Munn, and in an attempt made by the citizens to lynch the latter, Thaddeus Purdy, the District Prosecuting Attorney was shot dead.

Lieut. Col. Mason, of the U. S. Army, died at San Francisco on the 7th ult.

The battle in which Gen. Lane and Col. Allen were wounded, occurred on the 27th of August, in Rogue River valley. Ninety whites and about 250 Indians were engaged. The skirmish lasted four hours, when the Indian chief Sam, proposed an armistice, which was granted. Ten Indians were killed and thirty wounded, while of the whites there were three killed and eight wounded.—Among the killed was Capt Armstrong.—The Indians continued their ravages at other points.

An attempt was made at San Francisco on the 12th, to sell State's interest in the water lots, in contempt of the injunction from the Supreme Court.

One of the water-lots was struck off to the bidder, when Mr. Selover, the auctioneer, and the whole Board of Commissioners, were arrested, and held in heavy bail to answer for the contempt.

An express box, belonging to Messrs. Adams & Co., containing twenty five thousand dollars in specie, was stolen from the stage between Sonoma and Stockton.

FROM THE SANDWICH ISLANDS.—The dates from Honolulu are to the 18th of August, at which time the small pox was raging terribly. The Honolulu papers state that a strong political movement has been commenced, for the purpose of compelling the dismissal of the Ministers, Judd and Armstrong. A meeting, signed by thirteen thousand persons, has been presented to his majesty demanding the measure and there are indications of an approaching revolution should it be refused.

THE FARE between Albany and New York, on both the Hudson River and Harlem Railroads has been raised to two dollars.

Baltimore Market.
Oct. 13 1853.
FLOUR.—The market to-day is without animation, although prices continue very firm. The transactions to-day were very limited, and we have sales of only 200 bbls. Howard Street and 200 bbls. City Mills, all at \$6 64.

GRAIN.—The receipts of Grain this morning were light, and the market rather inactive. Buyers do not seem inclined to operate extensively until the news of the steamer (now fully due) shall have been received.—The offerings of Wheat at the Corn Exchange were about 10,000 bushels, only a part of which was sold at 140-145 cents for fair to prime whites. About 9000 bushels of Corn were also at market and we note sales of white at 77-78 cents. We quote yellow, nominally, at 80 cents. No sales were reported to-day. Rye is without change. We note sales of Pennsylvania Oats at 47 cents, and of prime Maryland and Virginia do., at 42-45 cents; inferior qualities do., at 35-40 cents.

WHISKEY.—The market is dull, but prices are without change. We note sales of bbls. at 31-32 cents, and of hds. at 30-31 cts.

—Wm. P. Tidy, formerly of this place.
