That from mouth of brass, as from mouth of gold,
May be taught the Testaments, New and
Old.

And above it the great cross beam of wood, Representeth the Holy Rood, Upon which, like the bell, our hopes are

Of morals, and symbols, and history.

And the upward and downward motion show. That we touch upon matters high and low, And the constant change and transmutation Of action and of contemplation-Downward, the Scripture brought from on

Upward, exalted again to the sky-Downward the literal interpretation Upward, the vision and mystery !
