PLEADERS' ASSISTANT : Being a collection of approved declarations, write returns and proceedings in the several actions now in use in the United tates.

With notes and additions, together with a short system of conveyancing. By A. Jordan, Pres-ident Judge of the Eighth Judicial district of Pa., and Wm. M. Rockefeller and M. L. Shindel, of the bar of Northumberland county, Since the publication of the book, the following etter has been received from Judge Pearson of Harrisburg: Hannismuno, June 30, 1853.

GENTLEMEN: After a careful examination of your "Amer an pleaders assistant," I take pleasure in expressing my entire approval of the selection and composition of the precedents thus offered to the public. The legal profession in Pennsylvania stands in need of a correct system of pleading, adapted to our habits of business, and the practice of the courts. Your forms of declarations being, to a great extent, founded on the acts of assembly will be as aving of labor to the pleader, and conduce to safety and brevity in our pleadings. It should be in the hands of every practising awyer in our state.

Yours, with great respect, JNO. J. PEARSON. Han. A. Jordan, Wm. M. Rockefeller and M Shindel, Esquires.

W. McCantr, Esq., Dear Sir:-I received more than a year ago copy of "Reed,s Pleaders' Assistant" improved by Judge Jordan and others. I examined it with some care soon afterwards, and have had occasion to use it several times since. I think it decidedly valuable as a manuel for practising attorneys in Pennsylvania, and do not hesitate to recommend it. If it were generally used it would increase the accuracy of the profession in matters which are often very carelessly done. I am very truly yours, &c.,

J. S. BLACK. I also received a copy of the Pleaders' Assistant, and have examined it sufficiently to enable me to concur very heartily in the above commendations by the Chief Justice.
