The EUDORA TRAGEDY .- George Wilson the colored man suspected of the murder of the captain and mate, and of scuttling the Endora Imogene, has been discharged by the authorities of Westchester County, on the ground that the process or commitment was irregular and insufficient; that being, from this cause, entitled to a pro forma discharge, he cannot be remanded without the dispositions clearly establish the corpus delicti, and connect the prisoner with the crime; the officer before whom a writ of this nature is returned cannot take notice of any facts which are not properly before him by virtue of the writ. His counsel, Mr. Millikin, ac- companied the segro to the city, and it is understood that he will soon go to sea. That holtz the man is guilty there is very little doubt, but the manner of disposing of the bodies renders it very unlikely that they will ever be recovered.

DAMAGES AGAINST THE NORTHERN CENTRAL RAILEOAD .- The trials growing out of the percident that occurred at Hyde's, on the Northern Central Railroad, about two years ago, came before the court in York, Pa., last week. The first case, that widow of Abraham Mussulman, of Lancaster county, was disposed of by the jury rendering a verdict of \$1000 damages and six cents costs against the company. Mr. Mussulman, it will be remembered, lost his life by the accident The York Pennsylvanian says there were two other cases for personal in-juries-one of which was decided on Saturday by a verdict of \$950 in favor of the daughter of Mr. Trusil, who was injured for life. In this case the company was also ordered to pay six cents costs. The other case—that of Mr. Nunemacher—was postponed.

A NEW LINE OF TELEGRAPH .- The Pennsylvania Railroad Company are putting up a line of telegraph, from Pittsburg to Philadelphia, to be exclusively appropriated to the use of the road. The line is completed and in use from the west as far as Lancaster city, and will soon be extended to Philadelphis.
