In these fire , the HERRING'S SAPE, standing sole. In these fire, the HERRING'S SAPE, standing sole by side with these advertised as "warranted to small to per cash, more fire than Herring's," came both the acknewledged victor not only preserving their contents in excellent order, not being themselves in a condition to go through another ordent, while the housted Salamante evid other indexs are body used up in every unstance, and in some once their entire contents completely destroyed.

To the public we would simply say, that, during the 14 years the Herring's Safe has been before them, more than two hundred lawe passed through necidental fires without the occurrence of a single loss.

We would, therefore, cautions purchasers against the misrepresentation of interested parties. The Herring's Patent is the only Fire-proof Safe made in this city which is protected by a Patent Hight, and we will guarantee it to resist more than double the smount of heat of any other Safe now known.

THE SALAMANDER SAFES OF PHILADELPHIA AGAINST THE WORKD EVANS & WATSON.

No. 26 South Fourth St., Philadelphia. Have had the surest demonstra-tion in the fail-owing Certificates, that their manufacture of Sata-mand r Safes has at length full-warranted the representations which have been made of them tendering an audioabted security against the terrific element;

PRILADELPHIA, April 19th 1856 Measts, Evans & Wat

Mesars, Evans & Watson — Gents — It allords us the highest satisfaction to state to you, that owing to the very protective qualities of two of the Salamander Sefes which we purchased of you some few months since, we saved a large pertion of our Jewelry, Books, Papers, &c., exposed to the calamitmosa fire in Rimstead Place, on the morning of the 11th inst.

When we reflect that these Safes were located in the tourn story of the building we occupied, and that they fell subsequently into a heap of harming runs, where the vast cuacculation of heat claused the brass plates to melt, we cannot but regard the preservation of the valuable contests as most convincing principal of the great security afforded by your Safes.

We shall take much pleasure in recommending them to mess of business as a sure relinater against fire.

Philadelphia, April 12, 1855.

Messrs. Evans & Watson—I have to offer you my testimony in favor of the great security afforded to my entire stock of jeweiry, books, papers &c. during the recent disacrous configgration in Runstend place, from the fact that the same were contained in two of the Salamander Safes manufactured by you.

Having fallen from the lifth story of the Artisan Building, where they were previously placed and exposed to a was heat for a long time, the preservation of the valuable deposits according to the contained and interior examination, a matter of profound acts (ish ment
