can undersell those who purchase their books cofracts, for the horses on hot be used, here, pay high rents and live like princes.

Constantly on hand a large assortment of Per and Pocket Knives, Scissors and Razors. Table Knives and Forks in ivory, stag, buffalo, bone as wood handles, Carvers and Forks, &c., Butch fat turkey excited his loshil's desire, and Knives, Dirks, Bowie Knives, Revolving and to town it went; a pair telgrant blankets followed suit; and any naber of bottles of succession principles. Also a large assortment of Accordeons, ac real old Irish whiskey wet also sent to the city. Things went on swiningly.
My lord and Sir Chars also cultivated

henor now of being their relitor for goods and cash lent to the ament o \$45. We believe the transaction riginated in this wise. Lord Arthur Johans Er Charles dropped in to buy a pair choes his lord-ship pulled off a pair tolerible boots, when his aristocratic eyes held is the toe of his stocking—a hole. dull eproachful sigh escaped his Lordship, he tal, "it is a sigh escaped his Lordship, he was a stocking like that!" This atactetthe attention of Mr. McL. A pai of these soon fitted the fee of his Lordsh, and his mortified ision the rentose. "What is the mortified ision the rentose. "What is able and thorough sketch of English Pride, which he maintained was simply an exagger.

c of this of in propling care, or visions of beings of "the stuff that dreams are The speaker told us why travellers and sai-

lors like to spin long yarns, giving us the philosophy of the matter in a lively and agreeable way, illustrated by anecdotes and witty Another source of exaggeration is reverence. This may seem strange, but if you will

remember the obituaries on grave stones you will see truth of the statement. "Speak no ill of the dead" expresses proverbially the take off the skins of the slain. feeling we have in reference to death and we cannot help exaggerating the virtues of our departed friends. Sometimes the inscriptions on tombstones exalt the mortal beneath entirely above the lure of frail humanity. all remember this epitaph, which setts off ludicrously this obituary exaggeration :

"Here lies Mistress Margaret Quinn, Who was so very pure within, She broke the mortal shell of sin,

his mortified ision the rentose. "What is the brass?" sail his Lordsh, runing his hand into his pecket. Sir Carlesaid, "My lord, my lord, its will not dichar this to my account, McMcLaughlii" A! it was country, surpassed anything in any age or

g to make a spring omen Sug hen within a few feet of the ground, he lodged the contents of a second barrel in her back, which ended her further movements. He describes her screams as resembling those of a terrified woman, only much louder and shriller. He said they caused his bair to stand on end.

Having dispatched her, he pursued his dog who was all this time chasing the old male tiger. He came in sight of him several times, but owing to some disadvantageous circumstances he would not shoot, fearing he would nly wound him, and in that case he knew he would lose his dog, and perhaps his own life. He describes him as being much larger than the tigress. As night was fast setting in, he went home and returned in the morning to Beside them was the bed of the old Tiger

where he had spent the night with his dead The Tigress measured eleven feet six inches

LIFE IN NEW YORK CITY.—The following New York correspondence of the Boston Journal is too true :—"One of our rich merchants, a man of fortune of a million and a half-a resident of the Sixth avenue-con-nected with one of the first houses in New York, was carried yesterday to the Insane Hospital. He is another illustration of what our city shows in many lame stable cases of the sonic Marks, Pins, &c., and to order.
